

LAMBTON DEANERY MEETING

The annual meeting of the Deanery of Lambton was held in Christ church, Forest, Tuesday, 13th, with morning, afternoon and evening sessions. At 10 a.m. a Communion service was held, conducted by Rev. W. M. Shore, of Warwick, assisted by the local rector, Rev. A. R. E. Garrett. At eleven o'clock the Deanery Chapter was held.

At the same hour the Women's Auxiliary met in the Sunday School when Rev. Abjanker, a native of India, now of Hurl College, gave an address on "The Women of India." At the afternoon meeting he also spoke on conditions in his native country.

At the afternoon session Rev. F. G. Newton, of Sarnia, presided. A paper on "The Faithfulness of the S. S. Teachers" was given by Rev. C. K. Masters, of St. Mary's; and another "The Layman in the Parish" was ably presented by R. E. Davis of London.

The evening session was presided over by Rev. W. M. Shore of Warwick, Rural Dean; and Rev. Dean Tucker, of St. Paul's Cathedral, gave an address on Separate Schools.

Lunch at noon and tea were served in the school room. On the whole the meetings were well attended, and profitable and inspiring.

Among other clergy of the Deanery present were: W. S. Lartin, of Alvington; P. H. Streeter, of Florence; G. C. D. Brownie of Sombra; J. H. Whealen, of Thedford; S. A. Brigham of Walpole Island; W. J. H. Peter, of Wyoming and E. G. Dymond, of Courtright, Sec. Treas. of the Deanery.

Two prominent personages at former gatherings were much missed viz.—Rev. Canon Davis, late of Sarnia, who has just moved to Vancouver, had been at nearly every meeting during his long rectorship of 40 years at Sarnia; and Rev. Canon Hill for 11 years rector at Petrolia, now of London, both of whom have grown old in the ministry and are now retired. Rev. S. P. Irwin, for 17 years rector of Trinity church, Watford, and actively participating in Deanery meetings, was another one missed. He too, is leaving the Deanery as early in July he takes the rectorship of Kingsville parish. Rev. D. J. Cornish, who left Forest last fall, to take charge of the Port Dover parish, after being rector of Christ church, for nearly 10 years, and prominently identified with the Deanery, was privileged to be present.

MAN GIVES WIFE

GLYCERINE MIXTURE

She had stomach trouble for years. After giving her simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka, her husband says: "My wife feels fine now and has gained weight. It is wonderful stomach medicine." Adler-i-ka acts on BOTH upper and lower bowel, removing foul matter which poisoned stomach and which you never thought was in your system. EXCELLENT for gas on the stomach or chronic constipation. Guards against appendicitis. The impurities it brings out will surprise you. J. W. McLaren, druggist, Watford.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
