# CONNEL'S MAGICAL PAIN EXTRACTOR.

The great healing salve—it seems hardly worth while that we should add our testimony to the overwhelming mass that has already been procured by this inestimable balm—specific called Connel's Magical Pain Extractor, but we might as well say it exceeds anything we ever heard of for the rapid and thorough cure of the following complaints which have been tested in this city, viz: Burns, scalds, tender and sore feet, chilblains, wounds of all sorts, bruises and cold in wounds, inflammation, self-healing, rheumatism, erysipelas, sore eyes and nipples, eruptions and scrofula chaps and piles in their worst form. No family should be without this wonderful salve. Sold genuine, at 19 Tremont Row, No. 13.

SALT-RHEUM, PIMPLES AND SORE ON THE FACE, AND ALL CUTANEOUS AFFECTIONS.

The great virtue of Sarsaparilla as a restorative to the blood, and consequently a cure for maladies arising from its impurity, is well known to every one. To get it concentrated in, therefore, an important object. Messrs. Constock & Co. have given much attention to this article, and have a length brought forth an article far superior to anything now in use. We advise every person to use this celebrated extract, as it not only effectually purifies the blood from all its morbid humors and unhealthy particles, but regulates the stomach, promotes digestion and gives increased strength and vigor. As an effectual alterative to the system, it is unequalled. Sold at 19 Tremont Row, only Price 50 cents per bottle. \$1 per dozen.

CURE FOR PILES.—For 5 years I was afflicted with the disease, and the doctors told me were the itching piles. I had applied to several physicians and used many medicines without any relief, till I used the Hays' Lintment, which I purchased of Constock and Ross, No. 19 Tremont Row, which cured me before I had used all of one Bottle. I was greatly relieved upon the first one or two applications. Most seriously do I urge upon the afflicted to use this remedy before all others. My object entirely in making my case public, is hoping I may benefit the afflicted sufferer.

THE NATURE OF THE DISEASE.—For some years, many young people, both male and female, have had the complaint of the hair falling out, permanently, and have been frequently applied to for something to turn the hair back to its natural color, which has induced us to go to much trouble and expense in order to furnish our customers and the public generally with a new and improved Hair Dressing, that will not only restore the hair to its natural color, but will also prevent the hair from falling out again. It is simply this, that it is the most extraordinary article we ever saw. To our certain knowledge, the following gentlemen have been cured of the complaint, and are now the proprietors of the Hair Dressing, which is offered for this purpose. THE NATURE OF THE DISEASE.—For some years, many young people, both male and female, have had the complaint of the hair falling out, permanently, and have been frequently applied to for something to turn the hair back to its natural color, which has induced us to go to much trouble and expense in order to furnish our customers and the public generally with a new and improved Hair Dressing, that will not only restore the hair to its natural color, but will also prevent the hair from falling out again. It is simply this, that it is the most extraordinary article we ever saw. To our certain knowledge, the following gentlemen have been cured of the complaint, and are now the proprietors of the Hair Dressing, which is offered for this purpose.
