JUDSON'S
CHEMICAL EXTRACT OF
CHERRY AND LUNGWORT,
FOR THE CURE OF
Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.
DO NOT NEGLECT IT.
CONSUMPTION
Can be and has been cured in thousands of cases by this only certain remedy.
Judson's CHEMICAL EXTRACT OF CHERRY AND LUNGWORT, and no remedy has ever before been discovered that will certainly
CURE CONSUMPTION.
The most strongly marked and developed cases of Pulmonary Consumption where the lung have become diseased and ulcerated and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever.
It is a compound of medicaments which are peculiarly adapted to and essentially necessary to the cure of
COUGHS AND CONSUMPTION.
Its operation is mild, yet efficacious; it opens the pulmonary vessels, creates so much difficulty, relieves the cough and assists nature to expel the diseased matter by a copious, producing a most delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and nursing friends, and Nurses, have failed to give the smallest relief to the Consumptive sufferer.
THOUSANDS OF CONSUMPTIVE persons have been deceived in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as Spitting of Blood, Coughs, pains in the side and chest, night sweats, &c. &c.
A young 1000 certain state of almost miraculous cures performed by this medicine, from some of the first Doctors, Clergymen, and Merchants have been sent us for this medicine, but the publication of them looks too much like Quackery, [will show them to any person calling at our office.] This medicine will speak for itself and enough in its own favor wherever it is tried.
Caution.—This medicine is put up in a large bottle and you must find the name of Comstock & Brother, Proprietors, New York, on the splendid Wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John St., New York.

These powders, whether used season with the change of use and feed, have a very great effect upon the blood, and sinuous fluid of horses. It is at all changes they require an assistant to nature to throw off any disorder of the fluids of the body, that may have been imbibed; and which, if not attended to, will result in the Yellow Water, leaves, Worms, Boils, &c. All of which will be prevented by giving one of these powders, and will at any time cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretory glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or produced by a bad state of the blood, are speedily cured by them.
