

CARLYLE LESSNESSOCK. 2861 IMP.

MAPLE GROVE AYRSHIRE STOCK FARM**R. G. STEACY - Importer and Breeder - LYN, ONT.**

Largest in point in United States and Canada of the most noted Milk, Butter, and Prize Record Ayrshires procurable in Scotland. Head of herd is Carlyle Lessnessock, whose grand dam was never defeated in a milking contest in England and Scotland, competing against all other dairy herds for years in succession, and awarded more prizes in gold medals, cups, and money, than any Ayrshire ever exhibited with the imported females of not individual records. I am in a position to offer none but performers at reasonable prices. Do not fail seeing my stock at all leading exhibitions this fall.

Registered rough-coated Scotch collies from imported stock.
