'CANADIAN PICTORIAL' \$1.00 a Year

The best printed magazine in Canada, crowded with the most interesting pictures of recent happenings, pictures of beautiful or curious things, portraits of people in the public eye, snap shots, etc., etc. Next best thing to travelling and seeing people, places and events with one's own eyes. The 'Canadian Pictorial' has simply bounded into popularity, and to-day boasts a larger circulation than any other magazine in Canada. It contains about a thousand square inches of pictures in each issue, and costs to produce about a thousand dollars each issue—sometimes considerably more.

The more people are educated, the more they appreciate and value pictures of current events, for they convey so much information in so short a time. But the children also profit by and enjoy them, and the 'Pictorial' thus appeals to every member of the family.

The press of Canada, from coast to coast, has said the nicest things about the 'Canadian Pictorial.' Here are two or three specimens:

It is beautifully printed. A most creditable production.—'Herald,' Yarmouth, N.S.

Every illustration is a work of art—some of its pictures fit for framing.—'Mining Record,' N.S.

It is filled with splendidly executed photogravures.—'Times,' St. John, N.B.

It bears out its undertaking to give its patrons only the highest class of work and certainly offers them the maximum of pictures.—'Star,' Toronto, Ont.

The pictures in the 'Pictorial' are among the finest that have been produced.—'World,' Vancouver, B.C.
