REGISTRY OF LANDS.

At the meeting of the Synod at Kingston, it was resolved:

Whereas it is desirable to establish a Registry in this Diocese in which all lands granted, conveyed, or devised, to any corporation or person in trust, for any purpose in connexion with the United Church of England and Ireland in this Diocese, shall be registered.

Be it enacted by the Synod of the Diocese of Toronto duly constituted and assembled,

1st.—That the Bishop of the Diocese shall nominate and appoint a Register.

2nd.—That the Registry office be kept at such place as the Bishop may select, and that suitable books be provided for the purpose of registering all said documents.

3rd.—That it shall be the duty of all Rectors, Incumbents, Churchwardens, Trustees, or other persons having legal custody of all grants, conveyances, or wills or parts thereof, in any way relating to land or property granted, conveyed, or devised, for the benefit of the said Church of England and Ireland in this Diocese, to transmit the same to the Register.

4th.—That it shall be the duty of the said Register to enter in the books so provided a full and exact copy of every such grant and conveyance, and a copy of the clause in every will devising such land or property, together with the date thereof and the name of the witnesses thereto, and if a probate, the court in which the same is proved.

5th.—That it shall be the duty of the said Registrar to endorse on every such grant, conveyance, and will, or probate thereof, a certificate of such registry, and to return the same forthwith to the party from whom he received it.

6th.—That the said Register shall keep indices shewing the grantees, grantors, and Parishes or Churches mentioned in the grants, conveyances and wills registered.

7th.—That on application by any member of the Church of England and Ireland, the said Register shall furnish a copy of any such instrument, or permit a search and examination thereof, upon payment of the fee hereafter to be arranged. And whereas it may be desirable to deposit the originals of such grants, conveyances, and wills in a safe and secure place, it is further enacted,

8th.—That the Register shall retain such grants, conveyances, and wills, as the parties transmitting may be desirous of having so kept, and shall deposit them in some safe and secure place of deposit to be appointed for the purpose and approved of by the Bishop of the Diocese, and in such cases shall furnish copies thereof certified, and shall state in the certificate that the originals are so deposited, and in case the parties desire to withdraw the originals the said certificate to be produced and cancelled.

9th.—That separate books be kept for the proposed subdivisions of the Diocese of Toronto, and that the books and instruments deposited, appertaining thereto, be handed over to the Register duly appointed for any new Diocese.

10th.—That the Bishop of the Diocese be authorized to establish a reasonable tariff of fees to be paid to said Register.

All which is respectfully submitted.

J. KIRKPATRICK,
 Chairman.
