The Philatelic Monthly says that the bill providing for the loss of registered mail matter has received the president's signature.

We hear that Canada is to have a new 3c, stamp to commemorate the Queen's Diamond Jubilee. The design is in preparation.

The Philatelic Tribune claims to be the oldest Philatelic paper in America.

The Philatelic West is running a series of articles on Canadian revenues.

It is difficult to get sets of the new Belgium Packet stamps, as the old ones, of which there is a large stock on hand, are being used up first. So says a correspondent in Brussels.

The publisher of this paper can make use of large quantities of common Canadian stamps, except le and 3c, and those who have small or large lots to dispose of will do well to write for prices. Entire envelopes and wrappers are wanted also.

This Stamp Gratis.

With every number of this paper will be given away a stamp catalogued at 5 cents. If you are a subscriber, you will find the stamp pasted on the square below this paragraph.

The publisher of this paper proposes to make a specialty of cheap sets and the particular attention of collectors is invited to the extraordinary cheapness of the series he now advertises.

If any collector should receive more than one copy of this number he will confer a favor upon the publisher by sending it to some friend.
