 AND ASSISTANT DEMONSTRATORS.

The Collegiate Course of the Faculty of Medicine, begins on October 3rd, 1910.

MATRICULATION.—The Matriculation Examinations for Entrance to Arts and
 Medicine are held in June and September of each year. The entrance examinations of the
 various Canadian Medical Boards are accepted.

COURSES.—The Regular Course for the Degree of M. D., C. M., now consists
 of five sessions of about eight months each.

SPECIAL COURSES leading to the Degrees of B. A., M. D., and B. Sc. (Arts); M. D.,
 of seven years have been arranged.

ADVANCED COURSES are given to graduates and others desiring to pursue special
 or research work in the Laboratories, and in the Clinical and Pathological Laboratories of
 the Royal Victoria and Montreal General Hospitals.

A POST-GRADUATE COURSE is given for Practitioners during the months of June
 and July. The course consists of daily clinics, ward classes, and demonstrations in genera
 medicine and surgery, and also in the various special branches, Laboratory courses in
 Bacteriology, Clinical Chemistry and Microscopy are also offered.

DIPLOMA OF PUBLIC HEALTH.—A course, open to graduates in Medicine and
 Public Health Officers, of from six to twelve months' duration. The course is entirely practical,
 and includes in addition to Bacteriology and Sanitary Chemistry, a course on Practical
 Sanitation.

HOSPITALS.—The Royal Victoria, the Montreal General, the Alexandra Hospital for
 Contagious Diseases, and the Montreal Maternity Hospitals are utilized for the purposes of
 Clinical instruction. The physicians and surgeons connected with these are the clinical
 professors of the University. The Montreal General and Royal Victoria Hospitals have a
 capacity of 250 beds each.

RECIPROCITY.—Reciprocity has been established between the General Medical Council
 of Great Britain and the Province of Quebec Licensing Board. A McGill graduate in
 Medicine who has a Quebec licence may register in Great Britain, South Africa, India,
 Australia and the West Indies without further examination.
