

Church Chronicle Extra.

TORONTO, MARCH 18, 1870.

NOTICE.—SYNOD ASSESSMENT.

At a meeting of the Finance Committee of the Incorporated Synod of the Diocese of Toronto, held in the Synod Board Room on Tuesday, the 15th March instant, the following Resolution was adopted:—

Whereas a communication has been received from the General Purposes Fund Committee to the effect that an appropriation has been made by it towards “making good the charges for the current year heretofore borne by the said fund while under the management of the late Church Society”;

And whereas it has thus become unnecessary to assess the Diocese for a larger amount than that required for the expenses of the Session of the Synod;

It is hereby Resolved that the Assessment recently promulgated by this Committee be withdrawn, and that in force previously to the last Session of Synod be revived and be in force for the current year. And that the Secretary be requested to have this resolution printed and circulated throughout the Diocese, in an extra of the *Church Chronicle*.

In accordance with the above Resolution, the Synod Assessment to be paid this year will be the same as that paid last year.

Blank forms of certificate will be furnished in time for the Easter meetings. The Clergy are respectfully requested to return the usual certificate, with the assessment, to the undersigned within the time prescribed by the fifth clause of the new Constitution.

WILLIAM P. ATKINSON,
Secretary-Treasurer.
