

Purifying Water by Motion.

Dr. Pehl, of St. Petersburg, claims to have made the important discovery that motion destroys the impurities of water.

Many people are not aware that it is the wrapper of tobacco which gives the color to the plug, and are, therefore, often deceived by a handsome outside appearance.

A Western calf has four ears. This is fortunate for the calf as he will not be mistaken for a dude.

Catarrah-A New Treatment. Perhaps the most extraordinary success that has been achieved in modern science has been attained by the Dixon Treatment of catarrah.

That which makes all women equally pretty-Patting out the light.

Its Virtue. The Virtue of the Catarrh Remedy is to purify the blood, and to remove all impurities from the system.

Beau: "Why do you prefer a wood fire?" She: "Cause it pops."

Make a Note of This. Pain banished as if by magic. Polson's NERVILINE is a powerful and almost instantaneous remedy for external, internal, or local pains.

Mrs. A.: "I do love to hear Mrs. B. sing; her swell is very fine." Mrs. B.: "What are you talking about? That is no swell; he's her husband."

The Sting Within. It is said that there is a rankling thorn in every heart, and yet that none would exchange their own for that of another.

"I Love Her Better than Life."

Well, then, why don't you do something to bring back the roses to her cheeks and the light to her eyes! Don't you see she is suffering from nervous debility, the result of female weakness?

Why is there nothing like leather? Because it is the sole support of man.

How Pale You Are!

It is frequently the exclamation of one lady to another. The fact is not a pleasant one to have mentioned, but still the act may be a kindly one, for it sets the one addressed to thinking, apprises her of the fact that she is not in good health, and leads her to seek a reason therefor.

There is probably no better illustration in this world of the terrible weight of grave responsibility than a five inch dog standing on a box with his forepaws on the tailboard of a four-horse express wagon, alertly guarding its passage through the streets of a crowded city.

TO THE AFFLICTED. During the past twenty-eight years I have cured many cases of acute and chronic diseases after the old plans had failed. I have been enabled to do this, not by any superior skill, but by following a plan of treatment, (the Physio-Medical), excluded from Canada by unjust laws!

Notice to Contractors.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Kingston Works," will be received until THURSDAY, the 2nd day of April next, inclusively, for strengthening the East Pier at Kingston, Essex County, Ontario, according to a plan and specification to be seen on application to the Collector of Customs, Kingston, from whom printed forms of tender can be obtained.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, the blanks properly filled in, and signed with their actual signatures.

Each tender must be accompanied by an accepted bank cheque, made payable to the order of the Honorable the Minister of Public Works, equal to five per cent. of the amount of the tender, which will be forfeited if the party declines to enter into a contract when called upon to do so, or if he fails to complete the work contracted for. If the tender is not accepted the cheque will be returned.

The Department will not be bound to accept the lowest or any tender.

By order, A. GOBEIL, Secretary. Department of Public Works, Ottawa, 10th March, 1885.
