

IT HAUNTS ME STILL.

The Balfew Blood Bitters Bottle of Childhood Days, and What it Contained.

Whenever I see the snows beginning to melt and signs of spring to make themselves unmistakably known I remember with horror the springtime season of my boyhood. How mother used to dose us poor little unfortunates with home-made bitters! And we had to be the ministers of our own punishment. We had to scour the woods for ground hemlock, cherry bark and princess pine, which were to be stewed up together, mixed with liquor of some kind and then poured down our devoted throats to clear the blood and tone up our system. Ugh! the taste of it, like "her bright smile" in the old song—it haunts me still. Very often there was wormwood in it. Next to the little sulphur bags we wore around our necks at school to ward off the itch, the bitters bottle, a huge black one, was one of the terrors of existence. How much more fortunate are the people, old and young, of to-day, who can purify their blood and tone up their system in the springtime by a mild and pleasant course of Hawker's Liver Pills and Hawker's Nerve and Stomach Tonic, the most thorough and effective combination ever placed before the public.

That tired, depressed and exhausted feeling with which so many suffer at this period of the year, is a sure indication of a weak and debilitated state of the system. Sleeplessness, Dyspepsia, Mental Inactivity, irritability and other symptoms of a disordered state of the system gradually follow. Hawker's Nerve and Stomach Tonic is a certain cure when faithfully used for all diseases arising from nerve exhaustion, weakened or impaired digestion, or an impoverished or impure condition of the blood, and the prostrating effects of La Grippe or any nerve weakness of the heart or brain arising from worry, overstrain of mind or body or excesses of any nature. Hawker's Nerve and Stomach Tonic can be obtained from all druggists and dealers. Price 50 Cents a bottle or 6 bottles for \$2 50. Pills 25 Cents a box.

ESTABLISHED 1867.

The best test of any School is the patronage it receives from those who live in its vicinity, and are in a position to judge of its merits. We are glad to be able to announce that our local patronage is greater than ever before. Students are also in attendance from all parts of New Brunswick, and from several sections of Nova Scotia and the United States. We hold out no false inducements. People judge our institution by its breadth and thoroughness of its courses of instruction, and, especially, by the success of its graduates in this they are right; and we are quite willing that these facts shall always be applied.
