The TONTINE INVESTMENT POLICY of this Company combines in one form the greatest number of advantages attainable in a Life Insurance Policy. It appeals at once to the intelligence of all who understand the principles and practice of Life Insurance, and the same system is used by such first-class Mutual Life Companies as the New York Life and the North-Western.

All policies on Life or Endowment plans are subjected to NO HIGHER PREMIUM RATES in taking the Tontine Investment form. The extra benefits of this class are conditioned only upon continuance of the Policy for a certain specified term or Tontine Period of 10, 15, or 20 years, selected by the insurer himself.

Two things most desired in Life Insurance are the CERTAINTY of PROTECTION in EARLY DEATH and PROFIT in long life.

These are combined in this Company's Tontine Investment Policy, which is the only system which effectually answers all objections offered to Life Insurance. It distributes the advantages of insurance equitably between those who die early and those who live long and is the only plan that does so. This Company issues Annuities and all the ordinary approved forms of Life Policies. Its Policy is Plain, Simple, Liberal, and Free from the usual onerous conditions.
