

NEWS AND NOTES.

As it seems to be pretty well understood that we have a hot summer before us, we would say to all anxious mothers that Nestle's Milk Food is an excellent preventative of cholera infantum, and all summer complaints so common to children.

Rake not too long amidst the ashes of an old passion, lest thou kindle the flame of a new desire.

COUNTERFEITS are always made to look as near like the original as possible. Housekeeper's are cautioned against the many worthless and damaging imitations of JAMES PYLES PEARLINE, some put up in similar looking packages, and others with names sounding like Pearlina, which dealers may endeavor to urge upon them.

Happiness is a perfume that one cannot shed over another without a few drops falling on one's self.

TRUTH IS STRONGER THAN FICTION. The poet saith, "There is nothing half so sweet in life as Love's young dream." Correct! Nothing excepting Estey's Fragrant Philoderma.

Women are paid forty cents a day and their board as farm laborers in South Carolina.

PERSONS of a Nervous Temperament should use Estey's Iron and Quinine Tonic, it removes at once that low, despondent feeling. Try it.

Raise such stock and crops as you and your soil and pastures are best adapted to.

A GREAT WANT SUPPLIED.

The consumers of Kerosene Oil, will find it to their advantage to buy LUXOR OIL, as it is without doubt the purest Oil to be had. By actual comparison it will be found as white as water. This is obtained by removing all impurities from the ordinary oil. It is no dearer than ordinary oil. As it will burn one-fourth longer and gives a clear brilliant flame, emitting no smoke or odor. To those using COAL OIL STOVES it is highly recommended, as it will give greater heat and will do more cooking for the same money. For sale in barrels and cases, two cans in a case.

Catarrah—A New Treatment.

Perhaps the most extraordinary success that has been achieved in modern science has been attained by the Dixon treatment for catarrah. Out of 2000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefitted, while the patent medicines and other advertised cures never record a cure at all. Starting with the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the catarrah is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure catarrah in this manner, and no other treatment has ever cured catarrah. The application of the remedy is simple, and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street West, Toronto, Canada, and enclose stamp for their treatise on Catarrah.—Montreal Star.

To rise early requires quickness of decision; it is one of those subjects which admit of no turning over.
