

DR. M'LANE'S
 CELEBRATED
LIVER PILLS,
 FOR THE CURE OF
 Hepatitis or Liver Complaint,
 DYSPESIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.
PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are constive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.
DR. M'LANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a **FAIR TRIAL**.

DE LA SALLE INSTITUTE,
 Nos. 18, 20 & 22 Duke Street,
 Toronto, Ont.
DIRECTED BY THE CHRISTIAN BROTHERS
 This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.
 Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.
 The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-ventilated playgrounds and the ever-refreshing breeze from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.
 The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.
 The system of government is mild and paternal, yet firm in enforcing the observance of established discipline.
 No student will be retained whose manners and morals are not satisfactory; students of all denominations are admitted.
 The Academic Year commences on the first Monday in September, and ends in the beginning of July.

FITS!
FITS! FITS! FITS!

CURE OF EPILEPSY; OR, FALLING FITS.
BY HANCE'S EPILEPTIC PILLS.
 Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for falling Epilepsy or falling Fits. The following certificates should be read by all the afflicted: they are not merely testimonies, but they will be read by every one who is not afflicted himself. If he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.
A MOST REMARKABLE CURE.
 PHILADELPHIA, June 23rd, 1857.
 Dear Sir: I am writing to you in consequence of your advertisement, which I saw in the only paper ever published in this country, and which you could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I then returned to my family physician: was cupped and bled several different times. I was generally attacked without any preliminary symptoms, and had from three to five fits a day, of varying length. I was often attacked in my sleep, and would fall wherever I would be, or whatever I occupied myself. I was so much afflicted, that I lost all confidence in myself. I also was afflicted in my business, and I consider that your Epileptic Pills did me more good in this respect, than any other medicine I had tried. I had two attacks afterwards. The last one was April 15th, 1855, and they work of a few serious attacks, but they did not prevent my pursuing my business. I was made the instrument by which I was cured of that distressing affection. I think that the Pills and their good effects should be made known everywhere. The persons who are similarly afflicted may have the benefit of them. Any person wishing further information, may obtain it by cutting out and sending it to me, at the following address: **WILLIAM HANCE,**
 No. 22 North Third St., Philadelphia, Pa.

Ayer's
Cherry Pectoral
 For Diseases of the
 Throat and Lungs,
 such as Coughs, Colds,
 Whooping Cough,
 Bronchitis, Asthma,
 and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. **CHERRY PECTORAL** always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.
 As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.
 This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.
 Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.
