THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of ROXBURY, has discovered in one of the common pasture weeds a Remedy that cures EVERY KIND OF HUMOR.

From the worst Scrofula down to the common Pimples He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will clear the system of boils. Two bottles are warranted to cure the worst cancer in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas. One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin. Two or three bottles are warranted to cure the worst case of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three or four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula.

Directions for Use.—Adult, one table spoonful per day. Children over eight years, a dessert spoonful; children from five to eight years, tea spoonful. As no direction can be applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. Kennedy gives personal attendance in bad cases of Scrofula.

KENNEDY'S SALT RHEUM OINTMENT, TO BE USED IN CONNECTION WITH THE MEDICAL DISCOVERY. For Inflammation and Humor of the Eyes, this gives immediate relief; you will apply it on a linen rag when going to bed.

For Scald Head, you will cut the hair off the affected part, apply the Ointment freely, and you will see the improvement in a few days. For Salt Rheum, rub it well in as often as convenient.

For Scabs on an inflamed surface, you will rub it in to your heart's content; it will give you such real comfort that you cannot help wishing well to the inventor.

For Scabs: these commence by a thin, acrid fluid oozing through the skin, soon hardening on the surface; in a short time are full of yellow matter; some are on an inflamed surface, some are not; will apply the Ointment freely, but you do not rub it in.

For Sore Legs: this is a common disease, more so than is generally supposed; the skin turns purple, covered with scales, itches intolerably, sometimes forming running sores; by applying the Ointment, the itching and scales will disappear in a few days, but you must keep on with the Ointment until the skin gets its natural color.

This Ointment agrees with every flesh, and gives immediate relief in every skin disease, and is heretofore, 2s 6d per Box. Manufactured by DONALD KENNEDY, 120 Warren Street, Roxbury Mass. For Sale by every Druggist in the United States and British Provinces.
