

home. If you doubt my respectability, you'd better go to my minister; he knows all about me; he lived here when I was born; he knows that all I possess in the world is this farm, and the house down to the village, worth altogether, about fifteen thousand dollars. He can tell you that I live with my father till he died, having no brothers and sisters, and that I never was married, and had no children; he is well acquainted with the folks living with me. But you can't get any information out of me. I'm a woman of few words, and don't allow meddlers." The woman had now worked herself into a passion, and turning away, slammed the door in his face. From her remarks however, he gained the following facts: "Miss Abigail—aged forty-eight; never married; has no children; property worth \$15,000; has no brothers or sisters; carries on farming;" which, after all was about all the information he cared to possess.

Sir George Bowyer has given notice of his intention to ask the Secretary of State for Foreign Affairs, whether Government have received any information that the inhabitants of Melazzo resisted the attack of the revolutionary troops, and that Garibaldi, having taken possession, punished with death thirty-nine of the inhabitants for having fought against him, and in defence of the rights of their sovereign.

**Irish Methodism.**—The English correspondent of the *Western Christian Advocate* says of Irish Methodism that it has been always small and feeble, that of late exhibited a tendency to further decline. This he accounts for on the ground of the extreme superciliousness, sometimes amounting almost to syncretism, with which Irish Methodists have deferred to the Established Church.—*Toronto Christian Guardian*.

SEE WHAT AYER'S SARSAPARILLA DOES FOR DERANGEMENT OF THE LIVER.

Stott's Crossing, Talladega Co., Ala., 9th August, 1859.

Dr. J. C. AYER, Lowell, Mass.—

Sir: I take my pen to tell you what your SARSAPARILLA and CATHARTIC PILLS have done for me. I have been afflicted with Liver Complaint for six years, during which I was never well, and much of the time very sick. My liver was sore to the touch, and the Doctors said was congested. I suffered from severe costiveness and Diarrhoea alternately. My skin was clammy and unhealthy; my eyes and skin often yellow. Occasionally I had a voracious appetite, but generally none at all. A dreadful sensation of oppression on my stomach, with languor and a gloomy sensation of sickness all over, kept me in anguish. You cannot know how much I suffered from an indescribable feeling of distress. The long continuance of this condition, without relief had worn me out so that I never expected to be better; but reading in the Christian Advocate, of your SARSAPARILLA, I commenced taking it with occasional small doses of your PILLS, to regulate the bowels as you direct. From the first it had more effect upon my disorder than I supposed anything could have. I regained my health rapidly, and now after eleven weeks, enjoy as good health and strength as any other man. May the "Dispenser of all good" shower blessings on you.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists.

P. K.  
MAYHEW, Mass., Aug. 28, 1857.  
Messrs P. Davis & Son—Dear Sirs: I have had occasion to use your Pain Killer frequently during my residence in Burmah, and have found it a very useful medicine. I did not think I could visit the Jungles without it. In case of colic, diarrhoea and cholera, the Pain Killer gives speedy relief, and for many other ailments I have found it beneficial. It is becoming popular in Burmah, among the natives as well as Europeans. I always carry it with me for my own benefit and the good of the people where I go.

Sincerely yours,

M. H. BIXBY.

The Rev. H. L. Van Meter, writing from Bassein, Burmah, says:—"The Karens praise it very highly indeed. I cannot conceive how a single medicine could meet their peculiar ailments and habits than does your Pain Killer. We are now using it freely in our family and find its excellent qualities confirmed with each renewed trial. Please send me 400 bottles by first opportunity." Sold by all medicine dealers.

Prepared by SETH W. FOWLE & CO., Boston, and for Sale, at Wholesale, by Lyman, Savage & Co.; Carter, Kerry & Co., Lamplough & Campbell, Wholesale agents for Montreal.

### OXYGENATED BITTERS.

A Query. Why will you suffer? Dyspepsia is a brief but comprehensive term for the numerous diseases which affect the stomach, liver, and in fact the whole human system. Until Dr. Green discovered the Oxygenated Bitters medical science was at fault and had exhausted itself in fruitless efforts to cure this disease. The Dyspeptic need suffer no longer with a disease that is always painful, and frequently a fatal affliction.

This unique and peculiar compound will as certainly cure the disease as the disease exists. Had it not this power such testimony as follows would not be given in its favor:

VALUABLE TESTIMONY IN FAVOR OF THE OXYGENATED BITTER:

WASHINGTON, D. C. June 10.

Having made use of the Oxygenated Bitters, prepared by Dr. George B. Green, of Wm. Vor, Vt., and from knowledge obtained of their efficacy in other cases, we cheerfully recommend them to the public, believing they will fully sustain the recommendation of the proprietor. We hope that this valuable remedy may be accessible to all the afflicted.

SAMUEL S. PHELPS, U. S. Senator from Vermont.

JAMES F. SIMMONS, U. S. Senator from Rhode Island.

J. T. MORSEHEAD, U. S. Senator, and formerly Governor of Kentucky.

L. H. ARNOLD, formerly Governor of Rhode Island.

WM. WOODBRIDGE, late Governor of Michigan. Its success in severe cases of DYSPEPSIA, ASTHMA, AND GENERAL DEBILITY OF THE SYSTEM, places it among the most wonderful discoveries in medical science and has given it a reputation far beyond any remedy known for these complaints, in all their various forms.

Prepared by S. W. FOWLE & Co, Boston, and for sale by Lyman, Savage & Co., Carter, Kerry & Co., Lamplough & Campbell, wholesale agents for Montreal.

### Ayer's Sarsaparilla,

### FOR PURIFYING THE BLOOD,

And for the speedy cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blisters, Boils, Blisters, and all Skin Diseases.

J. C. AYER & Co., Lowell, Mass., 6th June, 1859. I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it traced inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief. At length I was induced to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that it was a powerful medicine. I sent for it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. Now and healthy skin on my head, and no more sores. I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, ALFRED L. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Frode writes from Salem, N. Y., 19th Sept., 1859, that he has cured an inveterate case of Erysipelas, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a disfiguring attack of Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by its constantly.

Rheumatism, Gout, or Swelled Neck. Zionism Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from Gout, a hideous swelling on the neck, which I had suffered from over two years."

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859.

Dr. J. C. AYER. Sir: I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and at length I was cured by the remedies you find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREEMAN. I have been afflicted with Rheumatism for many years, and have been a broken-down man for some years from other causes. I have been cured by the use of your Sarsaparilla, and also a disfiguring attack of Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by its constantly.

Schistosis, Cancer Tumors, Enlargement, Ulceration, Caries, and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these ailments have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

### Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Whooping Cough, and all the various Affections of the Throat and Lungs.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities or even families among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the fatal danger of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that
