## DELATONE

Removes Hair or Fuzz from Face Neck or Arms

DELATONE is an old and well-known scientific preparation, in powder form, for the quick, safe and certain removal of hairy growth—no matter how thick or stubborn they may be. You make a paste by mixing a little Delatone and water; then spread on the hairy surface. After two or three minutes, rub off the paste and the hair will be gone. When the skin is washed, it will be found to be smooth and hairless—smooth as a baby's. Delatone is used by thousands every year, and is highly recommended by beauty authorities and experts.

Druggists sell Delatone; or an original one-ounce jar will be mailed to any address upon receipt of One Dollar by THE SHEFFIELD PHARMACAL COMPANY 359 So. Wabash Ave. Dept. CV Chicago, Illinois
