

A MESSAGE FROM UNION 66

CAUSE ——— EFFECT

Many people mistake Cause for Effect

★★★★

To make it worse, they take Effect for Cause

★★★★

Their point of view is up-side-down

★★★★

Some Civil Servants are that way

★★★★

They say "Get Results and We Will Join"

★★★★

They should say, "We Will Join and Get Results"

★★★★

For JOINING is the CAUSE

★★★★

And RESULTS are the EFFECT

★★★★

The Greater the CAUSE

★★★★

The greater the EFFECT

★★★★

Think it over!
