

in its employ, although these positions are currently filled by men.

Law Group, Page 22

There has been no movement in this group during the year.

Library Science Group, Page 23

There is now a man at the LS-2 level, and another woman at the LS-3 level (the competition was won by an employee who was at the LS-2 level last year, 2 women and 1 man applied). Two of the women at the LS-1 level joined the Department in the past year. The LS-5 was one of the 18 women identified as earning over \$27,500.

Scientific Research Manager Sub-Group, Page 24

The 2 male employees in this group are on secondment from other government departments.
