

Introduction

The Departmental Headquarters Directory is produced by Foreign Affairs and International Trade Canada. The 2006 printed and PDF versions were designed to reflect the Department's organizational structure as of December 13, 2006, and to identify employees who are a point of contact for specific services. It is not an index of all individuals who work for the Department. If you are searching for the phone number of a specific person, please use the electronic Employee Directory on the intranet which is more comprehensive and is kept up-to-date by employees themselves via myInfo.
