 Motion—  
 "That the House go in Committee of Supply"—Hon. Mr. Cartwright, 796.  
 Motion in amendment—  
 "That the Speaker do not now leave the Chair, but that it be resolved that whereas this House did on the 13th day of February, 1878, vote an Address to Her Majesty praying that a full amnesty should be granted to all persons connected with the North-West trouble, for all acts committed by them during the said troubles, saving only Louis Riel, A. D. Lepine and W. D. O'Donoghue, and that a like amnesty should be granted to L. Riel and A. D. Lepine, conditional on five years' banishment from Her Majesty's Dominion, thereby excluding W. D. O'Donoghue from the benefits of such amnesty—and whereas the said W. D. O'Donoghue has since written the following letter, &c. In the opinion of this House the Government should at one institute a thorough enquiry into statements contained in said letter, in order that justice may be done in the premises."—Mr. Costigan, 797.
- After debate, the House divided, and the amendment was negatived—136 votes to 36, 816.

- Res.—  
 "That it is expedient to authorize the Government to make a temporary disposition of the iron rails as they are removed from the Government Railways by loaning them to companies constructing railways which may be regarded as feeders to the Government Lines, such rails to be returned weight for weight to the Government stores at the junction of such lines when taken up."—Hon. Mr. Mackenzie, 1139.
