Dr. J. C. Simpson,
Secretary,
Faculty of Medicine.

Dear Dr. Simpson,

Dr. A.L. Walsh tells me that he expects to be away from June 10th to September 1st, and that Dr. F. G. Henry will look after the correspondence of the Dental Faculty in his absence.

I have made the suggestion that in regard to applications for admission Dr. Henry consult with you. Would it be agreeable to you to act in an advisory capacity when Dr. Henry finds it necessary to deal with applications?

Yours faithfully,

Principal
