Butchers, as a rule, do not
advertise, but the quality of

as the reasonable prices I
charge, make my store dif-

Beethoven's Music

Is so full of chromatic successions
that it is absolutely unplayable on
a common piano. Beethoven used
every known trick that the piano of
his day could accomplish. On the
"BELL" Piano, Beethoven's music
can be played as it should be—the
fulness of the tone, the power to
hold notes as long as the finger is
held down, and the distinction of the
base notes one from the other—all
render this music practicable and
enjoyable on "BELL" Pianos. We
are only too glad to show this Piano
to all callers.

IT NATURALLY FOLLOWS

That you have to pay more in the large
stores. Large profits are required to pay
high rents, etc. My place is small, rent
low and profit meagre, but my work will
compare favorably with the best. If you
have your own cloth, bring it along, and
I will make it up in the best possible
style, and the cost will be reasonable.
