PRINCIPLES WERE DESERTED PLEDGES STIANTFULLY BR

A Red-Hot Arraignment of the Laurier Government in a Manifesto By Mr. H. H. Cook, ex-M.P .-- Liberal Platform of 1896 Thrown to the Winds.

How the Declaration Regarding the Independence of Parliament Has Been Ignored—Why Were the Charges Against Sifton Not Investigated?—Enormous Increase in the Debt in Spite of Ante-Election Protests—Deliberate Deception of the People Regarding Prohibition-Record of the Liberals, He Says, Is One Long, Shameful Story of Corruption and Extravagance—Party Needs to Be Rescued From Its Present Leaders.

in accordance with those principles. I chattel of any party leader, or the serf of present condition of the Liberal party and for citizenship in a free community." also the question, What is our present duty towards our party and our country?" Fulfil Pledges.

Under our system of party government it is assumed—and the people have a right

BY H. H. COOK, EX-M.P. I claim no sight and no authority to have done so, or if they have fairly endeaspeak for the Liberal party, nor for Liberal seat all; but, as a life-long Liberal and as

be our duty, and our pride and pleasure as

fail to know that no honest effort has been one who has in the past given of his effort well, to give them our heartlest and most made to fulfil the piedges and promises well, to give them our heartlest and most have not be success of the cause of Liberalism I may, perhaps, be permitted, without arrogance, to claim a right to speak to Liberals, particularly at a time when I believe that plain speaking is needed and under circumstances which render sitence almost a betrayal of the charge I make and the permitted to carry out the policy to which we as a party had piedged ourselves; which render sitence almost a betrayal of the accusation, I am the more convinced to the convention of the accusation, I am the more convinced to the convention of the accusation, I am the more convinced to the convention of the accusation, I am the more convinced to the convention of the accusation. true Liberal principles. If there be any to own that the charge our opponents are that I ought to do this, because one of the Liberals who consider party success and making against us, that our leaders have members of the Cabluet has recently had the getting and holding of power and office | made of us a party of pledge breakers and | the temerity to claim, publicly, that every the great and important thing—the only betrayers of principle, is true, then we can thing worth struggling for—what I am only avoid sharing in the guilt and dishonabout to say is not for them. I am, on the contrary, addressing myself to those Liber-leaders, by repudiating them, and by do-

leaders of a political party, with deliberate desertion of principle and with shamefully

carry out the promised policy and fulfil the pledges and promises made. It is for us, as Liberals, to consider whether or not the leaders of the party have been true to the trust thus and then reposed in them; own knowledge of the political history of whether they have honestly and honorably striven to do the things they promised and to undo those things which the previous Government had done, and of which we complained. If we can honestly say they

als—and I am persuaded they constitute the rank and file at any rate of the party—who are Liberals because they believe in the undying principles of Liberalism, and who regard office and political power only as a means to an end, and that end the shaping of the country's policy and the moulding of its laws in accordance with those principles. I in accordance with those principles. I would ask these Liberals, whether numerous or only a saving remnant, to consider on the basis of M. Deleasse's note; that it is inimical to honest legislation and any political organization." "The man who cannot vote against the party" for his countries of Parliament, that the reported arrival of Li Hung Change at Pekin has been confirmed, and that consider that the reported arrival of Li Hung Change are provided in the party of t ous or only a saving remnant, to consider cannot vote against his party for his country and dispassionately the try is unworthy of the franchise and unfit ment of the day should be allowed to give degradation of Prince Tuan. or promise offices of emolument to members, either as a reward for support already given or as an inducement to give support in the future. Mr. Blake voiced the views of the party on this, and in the very last session of the last Parliament the to assume—that when a party is entrusted with the reins of government it will faithfully loyally and to the utmost of its ability carry out the policies it advocated and fulfil the pledges it made when in Opposition. It will not be disputed, by any honest man, at any rate, that, if a party falls to do this, it is guilty of downright whose principles he charges them with and shameful betrayal of the suprinciples he charges them with a full sense of the party falls to do this, it is guilty of downright whose principles he charges them with a full sense of the party falls to do this, it is guilty of downright traying. It is, then, with a full sense of the party falls to do this, it is guilty of downright traying. It is, then, with a full sense of the party falls to do this, it is guilty of downright traying. It is, then, with a full sense of the party in the last Parliament the present Postmaster-General, with the support of the representatives of the party in the House, embodied the principle in a measure which he offered for the acceptance of Parliament. This bill provided that no member should be eligible for any office or position of emolument in the gift of the Crown, during the existence of the Parliament the present Postmaster-General, with the support of the representatives of the party in the House, embodied the principle in a measure which he offered for the acceptance of Parliament. This bill provided that no member should be eligible for any office or position of emolument in the gift of the Crown, during the existence of the Parliament.

SAYS SITUATION IS GLOOMY. ace of the Parlia- SAYS SITUATION IS GLOOMY. one year after the dissolution of the House. Speaking in support of this measure, Mr. Mulock indulged in strong condemnation in its shame and being guilty of condoming the offence of obtaining and retaining power and office upon false pretences. For 18 years our party was in Opposition, and during those years it entitled. and censured many of the acts of the Conservative party then in power. During those 18 years our party also, sometimes by platforms solemnly adopted in conventions, and at times by the voices of its chosen years ago, towards putting these men in the positions they occupy and have dis-Just prior to the elections in '96 the party issued, officially, a pamphlet. in which its policy and political principles were set forth, with sufficient detail and exactness. And upon that statement of policy and declaration of principles, and upon the promises and pledges made expressly and by implication, the party asked for and obtained the support of a support of support of a support of them and deceived the country with their life, and to fill it with office-seekers and electorate, and the leaders of the party own convictions of what is due to the place-hunters. All the Liberal leaders and
