

YORK COUNTY AND SUBURBS

Thomas Bryant of Chalk River Mines From Scalds Received in Have-lock Railway Yards.

ANNUAL MEETING OF THE W.C.B.S.

Night Schools at the Junction-Exc-Mayor Bond's Portrait-Debate at Weston.

Toronto Junction, Oct. 13.—The body of Thomas Bryant was taken to Scruton's undertaking rooms to-night, he having died on the train, while being brought to the Western Hospital in Toronto from Havelock to receive attention for acids. Bryant was working in the railway yards there, and his injuries were received thru a collision between engines, causing him to be enveloped in steam. The dead man was 43 years of age and lived at Chalk River, where the body was taken for interment.

Weston. There was a good attendance at the first public meeting of the West York Young Conservative Club, on Monday night. The debate on the Grand Trunk Pacific bill turned out to be a very interesting one. The opposition, led by Thompson Porter and J. K. Edwards, was ably supported by the members of the club, as proposed, is not in the best interests of the country. But the club declined to condemn the scheme altogether. A compromise resolution was adopted, and the meeting adjourned.

A couple of farmers present condemned the waste project, on the ground that it is a waste of money. It is not clear whether the Ontario farmer could not raise what he needs on his own land, or whether the waste project would be a benefit to the farmer. One speaker said that the waste project would be a benefit to the farmer, as it would give him a market for his produce. Another speaker said that the waste project would be a benefit to the farmer, as it would give him a market for his produce.
