

## To-morrow's HOROSCOPE

**Dr. Genesio Kemble**  
**SATURDAY, FEB. 8.**  
With the two great benefics, Venus and Jupiter, in trine mutual aspect there should be a day of happiness and prosperity, although there may be some peculiar situations calling for the exercise of discretion and good judgment. While the general complexion of the day is favorable, it may not be advisable to launch out upon new ventures or

tempt any radical changes; also investment, speculation and money risk of any nature are warned against. The financial, emotional and intellectual considerations of the day are more strongly fortified than the commercial or financial. The health also calls for protection.

Those whose birthday it is may have some pleasant and profitable experiences during the year, but generally even call for discretion and good management. A child born on this day may

able, generous, but hard to understand.

Flush Your Kidneys Occasion-  
ally if You Eat Meat  
Regularly.

---

No man or woman who eats meat regularly can make a mistake by flouting the kidneys, occasionally, says a well-known authority. Meat forms an acid which clogs the kidney pores. They sluggishly filter or strain only part of the waste and poisons from the blood when you get sick. Nearly all rheumatism, headache, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from meat.

The moment you feel a full ache in the kidneys or your back hurts, or the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a teaspoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This cures

Salts will then act fine. This granular salt is made from the acid of grape and lemon juice, combined with H<sub>2</sub>O and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize acids in urine so it no longer causes irritation, thus ending bladder disorders. Jad Salts is inexpensive and can be enjoyed; makes a delightful effervescent lithia-water drink which all regard as a tonic.
