Improvement Recorded All Thru List in Sympathy With New York Activity.

MONTREAL, Feb. 18 .- Apart from early selling of Montreal Power, liquidation of local stocks ceased today and under a quiet demand, assisted by New York's steadiness, prices improved all thru the list. Power shared in the rallying tendency of the market. After opening at 219, or 6½ below the last quotation, it rose steadily to 221 and finished at the highest. Closing bid of 220%, compared with 219 on Thursday. A rise of 51/4 points in Lyall, which sold at a new high for the movement of 39 was the principal feature elsewhere. Scotia was steady between 9314 and 9334, about 500 shares being taken be ween those prices, with final id at 931/2, representing an advance of

1/4 for the day. Smelters rallied from 14914 at the opening to 152, and closed 151. Hollinger continued weak, selling at 2514 ex-dividend, equivalent to a further loss of a 1/2 point, but 251/2 was bid at the close, an advance of 1/2 from

Thursday. Canadian loan bonds were in demand transactions totalling \$50,000 par value with the price firm at 98
