Clothing of Character

You have doubtless observed that a suit may be stylishly cut and still lack that indefinable "something" that marks the difference between strictly correct, distinctive dress and ordinary "clothes."

20th Century suits are not only CUT right but MADE right. They fit. The shoulders are properly shaped. The collar never sags. The coat fronts lie smooth. And even the light-weight summer suits, with little interlining to preserve the smoothness, are so skillfully fashioned that PERMANENT fit and style are assured.

These and other genuinely, honestly good suits are sold by us at \$8 to \$25.

And every suit is on a hanger, free from wrinkles, easy to inspect.

You'll never regret buying a 20th Century suit.

A LETTER FROM SIR ROBT. PERKS

Visitor of Last Week Pays Tribute to the "Business Capacity and Buoyant Hopefulness" of St. John Business Men

Rev. Dr. Flanders received this morning the following interesting letter from Sir Robert Perks.

Halifax, June 5, 1909.

My Dear Dr. Flanders, Permit me to send you a few lines to thank you very heartily for your great kindness in making my stay in St. John so extremely pleasant and interesting. I think I saw as much as it was possible for a person to do in these days, and thanks to your forethought, I met many of your most prominent citizens. I was greatly struck with the business capacity and the buoyant hopefulness of the business men of your city, and it says much for the future prospects of St. John that its fortunes are guided by such capable citizens. The reception at your church was a very charming affair. I only wish that the case for British Methodism and British commercial enterprise had been put by a more qualified advocate than I can pretend to be. I thank you most sincerely, Yours faithfully, ROBERT W. PERKS.

LIQUOR CASE IN WEST SIDE

W. C. R. Allen the Defendant in Police Court Case Tomorrow Afternoon.

W. C. R. Allen will be the defendant tomorrow in the police court in a hearing for alleged sale of liquor in his pharmacy in the west end. The case is of a variety seldom heard as the information was not preferred by a policeman but by a former friend of the drugist. Recently the two men engaged in a dispute and several days ago the ex-friend laid information with the police clerk against Mr. Allen for selling intoxicants in his store on May 5. The police believe that he had one who was served this morning.

It is not anticipated that the witnesses will evade the issue by absenting themselves from the city. Liquor cases in which a private individual is the willing informant are very few.

REV. GIDEON SWIM IN EVERY DAY CLUB

He Delivered an Interesting and Impressive Address Last Night.

Rev. Gideon Swim delivered a very interesting and impressive address at the Every Day Club last evening. He based his remarks upon the prodigal son and the parable of the sheep that had gone astray, and applied the lesson to modern life and the young men who stray into the paths of sin. He dwelt upon the work of the Every Day Club could do in surrounding tempted men with better influences, and invoked the blessing of God upon all who were engaged in the work. The speaker pictured vividly the sorrow and the yearning of parents over children gone astray, and emphasized again the thought that the Saviour in like manner yearns for the salvation of men. The chairman, before introducing the speaker, introduced the necessity of the subject of temperance, remarking that the sight of an intoxicated man on the street yesterday showed the necessity of doing more than taking down screens and closing some of the saloons. There was a large audience, as usual, at these meetings. The club's orchestra led the hymns and played two selections.

AN INTERESTING WEEK IN ATHLETIC CIRCLES

Two Good Meets to Be Held in St. John This Week, Should Furnish Keen Sport

This week is full of interest from an athletic standpoint for there are two meets, that on Wednesday the Inter-scholastic, and on Saturday the big meet of the Every Day Club. Great preparations are being made and some of the best sport of the season is promised. The High School boys have been hard at work under the keen supervision of Coach A. W. Covey, and they expect to give a good account of themselves. The Every Day Club meet will see some of the best athletes in the city and province competing.

The E. D. C. themselves will have a fine team to represent them which is to include Stirling, Stubbs, Covey and others of the well known distance men and sprinters. All that is required is a kind weather man and the athletes will do the rest.

Word has been received that Mrs. Kingdon, widow of Bishop Kingdon, who is at present in Ossington, N. Y., intends making her home in St. John in the future. Accompanied by her mother, Mrs. Beverly Robinson, and her daughters, Mrs. W. B. Clements and Miss Nancy Kingdon she will probably reach St. John today.

A photograph of E. R. Chapman, now of Winnipeg, received by a St. John friend, shows that Mr. Chapman has put on some flesh since he went west, and looks the picture of health. He asks to be remembered to all his old friends in the I. O. F. here. Mr. Chapman is now High Chief Ranger of the I. O. F. in Manitoba.

The parks were fairly patronized yesterday. In the afternoon a large number attended Rockwood Park. The weather at Seaside Park was delightful, there being no fog.
