### Hosiery Values of the Better Sorts

Here are items of timely interest from our full stocks of excellent Fall Hosiery. Hosiery value is not to be determined by price alone. A comparison of the qualities offered at various prices is the true test of value. At every price you will find here better hosiery than is generally offered elsewhere at the same figures.

For proof, put these values to the test of comparison:—

LADIES' PLAIN CASHMERE HOSE, in Tan, etc., to \$5.00 a pair.	LADIES' BLACK CASHMERE HOSE, spliced heels and toes, reinforced seams; special \$5.00 a pair, 3 pairs \$15.00.
LADIES' INITIAL LINEN HANDKERCHIEFS, unbleached, 8c. the 12 dozen.	CHILDREN'S CASHMERE HOSE, in Black, Tan, Cream, Sky, Pink, 30c. to \$5.00 a pair.
LADIES' LAUNDRER LINEN HANDKERCHIEFS, unbleached, 7c. to \$5.00 the 12 dozen.	BOYS' 4-1 RIBBED CASHMERE HOSE, diamond knees, in Black, 30c. to \$5.00 a pair.
LADIES' EMBROIDERED LINEN HANDKERCHIEFS, 25c. to \$1.00 each.	

**Extra Handkerchief Values**

Prices on fresh, perfect quality handkerchiefs in styles for women or children, which warrant the investment in a full six months' supply.

LADIES' UNLAUNDERED LINEN HANDKERCHIEFS, with unbleached borders, 30c. to 75c. the 12 dozen.

LADIES' INITIAL LINEN HANDKERCHIEFS, unbleached, 8c. the 12 dozen.

LADIES' LAUNDRER LINEN HANDKERCHIEFS, unbleached, 7c. to \$5.00 the 12 dozen.

LADIES' EMBROIDERED LINEN HANDKERCHIEFS, 25c. to \$1.00 each.

### Persian Lamb Jackets, Mink Trimmed, at Extremely Low Prices

We have a few Persian Lamb Jackets in stock which we have marked at very low prices, at which any lady who sees them will agree with us that they are bargain. We purchased a lot of skins at a low figure and have had the jackets made up in good stylish shapes with Mink Collar and Reverses, good satin lining and general finishing.

The curls are medium size, with a gloss. The jackets are 36 and 38 bust size, 24 inches to 26 inches long. The prices of these garments are \$165 to \$175 each. This is a splendid chance to secure a good garment at a small outlay.

### COMMON COUNCIL

#### Unable to Complete Business at Session Yesterday and Will Meet Again Tomorrow Night

For three hours and a half yesterday afternoon the city council wrestled with the business accumulated since the previous meeting and at 6.30 last evening they had the reports of the harbor board, general committee, ferry committee and appeals committee still to hear, as well as several communications to deal with.

The report of the board of public works was adopted except the section recommending the acceptance of W. A. Quinton's tender for the new water main, which was referred back.

The report of the treasury board was adopted.

In the report of the safety board the sections dealing with tenders for hay and feed were referred back as was also the section relating to a report from the N. B. Telephone Co. for installing a private exchange in city hall.

The recommendation to install an elevator in the city building was, on motion of Ald. McGoldrick, laid on the table, pending the report of the joint committee on the building of a new city hall.

The section advocating a change in the time for washing windows created considerable discussion, and it was finally decided that the time for window washing be extended until 9 a. m. from November 10 to 11, and to 8.30 a. m. from May 10 to 11.

A resolution to issue debentures for \$2,000 to pay for catch basins was defeated and a resolution to issue debentures for \$5,000 for extending the water main to Milford was adopted.

In the report of the water and sewerage board the section for hay and feed for the department were referred back.

There was considerable discussion on the section fixing the salary of assistant engineer at \$1,500 with a maximum of \$2,000, and it was finally decided to refer the matter to the general committee with power to do so.

The balance of the report was adopted and the council adjourned until Friday evening at 8 o'clock.

### RESOLUTIONS PASSED AT SYNOD MEETING

#### Regret Death of Judge Hanington and Rev. D. W. Pickett—Mission Apportionments

Fredericton, Nov. 3.—At this afternoon's session of the Synod a number of clergy presented their reports and they were adopted. On motion of Archdeacon Forsyth a resolution deploring the death of Judge Hanington and referring in eulogistic terms to valuable services he rendered to the Synod was unanimously adopted.

A similar resolution on the death of Rev. D. W. Pickett was adopted on motion of J. Roy Campbell. Both resolutions were ordered to be entered upon the minutes and copies forwarded to relatives.

Reports from the standing committee, executive committee and board of education were adopted.

The report of the board of missions, which recommended important changes in the system of apportioning amounts to be raised by parishes for mission work, provoked lengthy discussion. Formerly this fund was raised by apportionments on parishes, but under the new system the block sum will be apportioned on parishes, which will in turn make parish apportionments. Among those who participated in the discussion were Dean Schofield, Rev. G. F. Scovell, J. Roy Campbell, Canon Neales and Rev. R. A. Armstrong.

After several amendments had been voted down the original motion was adopted.

Before adjournment Bishop Richardson said that he had requested members of the Cathedral Chapter to wear academicals at the synod meeting and to appear with him on the platform at the opening ceremony. He thought that this would be keeping with the dignity of the synod. He hoped that it would be possible before long for all the clergy to appear at synod meetings in academicals.

### THE LATE DR. MACRAE

The common council yesterday passed the following resolutions on the death of Dr. A. W. Macrae:—

"Resolved, that this common council deeply regret the death of Alexander W. Macrae, Esq., K. C., D. C. L., who served the public as an alderman, representing Wellington ward from the year 1897, for the year 1908, during which period he displayed unusual capacity and knowledge in the administration of public business. He was one of the leaders in the formation of the Canadian union of municipalities and always took a deep interest in maintaining the rights of municipal bodies as against those of private corporations. In matters of intermunicipal administration, he co-operated in laying down broad lines of policy seeking to organize the civic services upon the principle that the head of each department be invested with the full powers of administration and responsibility to the council for their exercise. In the important development of the winter port he took a leading part always insisting upon the increase of facilities and a fair return for their use.

His breadth of citizenship looking towards a united British Colonial Empire found expression in the promotion of a resolution whereby this council pledged its loyal faith to our late beloved sovereign, Her Most Gracious Majesty Queen Victoria, during the unfortunate war in South Africa.

The members who sat with him during the many years of his services were always impressed by his thoughtfulness in detail, his constant attendance upon matters even of routine and the great energy which he always displayed. In debate he was clear and convincing, yet withal courteous to others and his retirement from the council was a distinct loss to the community; therefore

"Resolved, that this council place upon record their appreciation of the worth and services of the deceased, who has been removed from the scene of his many activities at an age, when from his past record, it is reasonable to expect that the future would have witnessed his advancement to positions of greater honor and enlarged responsibility, and that the sympathy of this council in his bereavement be expressed in a resolution, under the corporate seal, be forwarded to the widow of the deceased, with assurance of the sympathy of this council in her great and irreparable loss.

The commissioners of the General Public Hospital met last evening and passed a resolution of sympathy on the death of the late Alexander W. Macrae. Dr. Macrae was a member of the hospital commission. The resolution was as follows:—

General Public Hospital, St. John (N. B.), Nov. 3.

Resolved: We, the commissioners of the General Public Hospital, have learned with profound regret of the death of our colleague, Dr. A. W. Macrae, and were with place on record our high estimation of his character as a member of the board.

Dr. Macrae, while always a busy man, was ever ready to place at the disposal of the hospital his great mental gifts and well recognized ability; his presence on the board was a source of strength and has been of great advantage to the welfare of the institution and its inmates.

His cheerful disposition as well as his ability made him a most welcome member of the board, and his untimely death will be deeply deplored by us and the whole community will be a severe loss to the institution and its inmates.

We offer to the bereaved wife and family our most sincere sympathy in their affliction.

### MORNING NEWS OVER THE WIRES

The trial of Peter Delorey, formerly of Antigonish, and James Mansel, a Greek, charged with the murder of Annie Mulvihill, was continued in the superior court in East Cambridge, Mass., yesterday. The jury was selected and taking of evidence commenced.

When Judge Forbes, of this city, rose to address the 100th annual meeting of the Maine Bible Society in Portland yesterday, he was tendered an ovation.

The Union Jack was unfurled and God Save the King was played.

At a congress in Paris, which has been considering the old colonies of France, Ex-Minister Paul Deschanel delivered a speech in which he declared his devotion especially in the case of the West Indian colonies, St. Pierre and Miquelon.

### WHEEZER OR SNEEZER?

Have You Heard of Hyomei for Catarrh, Asthma and Hay Fever?

If you wheeze or sneeze, hawk or spit, snuffle or blow, something is the matter with the membrane of your respiratory tract, and you need Hyomei.

And you need Hyomei because it cures you of any catarrhal or inflammatory condition that exists.

It isn't a stomach medicine, or spray, or douche, but a very pleasant, healing, antiseptic balsam, from the eucalyptus forests of Australia. You breathe this balsamic air through a small, hard-rubber inhaler, and it reaches every corner, corner and crevice of the membrane, and promptly kills the catarrh germ.

Chas. R. Wasson will sell you a complete Hyomei outfit (High-o-mei) outfit for \$1.00. The pump-back inhaler is felt dull and stuffy. Pains in the front and back of my head, also across my eyes were frequent and I had trouble in breathing. I was unable to get any sleep. I tried to rest, but I got no relief until I used Hyomei. This relieved me in the first few days and in less than two weeks I was perfectly cured. I cannot give too much praise to Hyomei.

Mrs. Mary Phillips, 153 McNab St., Hamilton, Ont.

### WHERE WAS THE POET?

Evening Times.

Sir,—I send you a copy of the following lines which I found near Belle Isle, together with a copy of the Times of Feb. 1906:—

Oh, Mighty Nimrod, pray let loose  
A wild cat, deer, brown bear, or moose,  
A partridge, squirrel, jaybird, or goose  
To hunt my skill and courage.

No hunter e'er had better gun,  
My aim's as true as mine;  
Oh, Mighty Nimrod, let them come  
To test my skill and courage.

I am a veteran at the game,  
When sober none has better aim;  
The birds and beasts that I have slain  
Bespeak my skill and courage.

So, Nimrod, hearken to my prayer,  
Drive forth some lion from his lair,  
Or, perchance, maybe a Teddy bear  
Would suffice for my courage.

HIRAM SMITH,  
Hampton.

### PICTURESQUE HOLLAND TAUNT STINGS HER, SHE GOES TO WAR

Holland is one European country that looks like her pictures. There is no better use for the word quaint than to apply it to Holland. The farmers really wear wooden shoes. The land really is dyked. Black and white Holstein cattle really pervade the landscape. The men really wear blue jeans shirts outside their trousers as they work in the fields. On hundreds of heads of women in any crowd the silver hair baskets, covered with lace net really may be seen. The girls and women are really red-checked, without artificial coloring. The fields really abound with wild flowers and windmills really sway their gaunt, awkward arms in the wind. There is no sham, no pomp and splendor, no fuss and feather in the country. One gets the impression of a rugged, shambling, simple kind-hearted, hopeful race in going through Holland.—From William Allan White's Letter to the European Gazette.

### BERESFORD AS BOOSTER

In a letter written on the steamer Baltic Admiral Beresford thanks the Canadian National Exhibition directors for courtesies shown him while in Toronto.

"I hope," he says, "to be able shortly to issue a letter to every Chamber of Commerce of the British Isles calling attention to the advantages to British trade which would accrue if the British mercantile community got more in touch with Canadian requirements. I shall endeavour to show how I believe this can be effected."

### How many people do you know—including yourself—who would cause their neighbors shed tears if they moved away?

There must be something wrong with the vision of some people who do their duty as they see it.
