

THE ST. JOHN EVENING TIMES, FRIDAY, DECEMBER 30, 1904.

TONIGHT'S ATTRACTIONS.

Dalley Stock Company at the Opera House, in "Tess of the D'Urbervilles."

Local News.

Court Log Cabin, I. O. F., will meet tonight in Foresters' Hall, Charlotte street, for election of officers.

Old-time watchlight meeting tomorrow evening in Exmouth street Methodist church, opening at 10.30 o'clock. Everybody invited. Offering will be made for Supernumerary Ministers' Fund.

A children's entertainment will be held in the Charlotte street Salvation Army barracks, on Monday, Jan. 3rd, at 8 p. m. A very interesting program has been arranged. A Christmas tree will be a feature.

Last evening in the Victoria rink a young lady from the north end, while skating, had the misfortune to fall and severely wrench her right arm. At first it was thought the member was broken, but such was luckily not the case.

In connection with the exercises at Exmouth St. church Sunday morning, the annual "Covenant Service" will be conducted, and in the evening the Lord's Supper will be administered. The pastor will preach on each occasion. Strangers and all will be made welcome.

At a surprise party held last night at the home of S. Wilson, corner Waterloo and Brindley streets, Rev. P. J. Stackhouse, on behalf of the members of the Tabernacle church, presented Miss Maggie Wilson with a purse containing \$25, as an expression of their appreciation of her valuable services as organist of the church.

MONCTON HAS \$10,000 FIRE.

And the Merchants Cannot Get New Premises on Main Street.

A bad fire broke out at Moncton shortly before 8 o'clock last night and raged for four hours destroying \$10,000 worth of property in the business centre of the city. It started from the explosion of a lamp in the rear of Brook Peter's music store in the two story wooden building owned by C. A. Steeves near the corner of Westmorland street. The building was occupied on the first floor by B. C. Peters, music store; George Younger, dry goods, and Strathcona Coal Co., offices, and the second floor by C. A. Steeves, law office; A. D. Wilband, residence. The structure was totally destroyed and the flames spread with such rapidity that very little of the contents of the building was saved. The W. C. P. L. hall adjoining was also badly gutted. J. W. Whitehead, tailor and Frank L. Thompson, jeweler, occupied shops in W. C. P. L. building, but both got their stock out with little damage. The heaviest loss by far is C. A. Steeves, owner of the building where the fire started. The building was worth \$4,000, insured for \$1,600 in Canadian fire. The other losses were only about half insured. Moncton, Dec. 30.—(Special)—One of the worst features of last night's fire is the inability of the merchants burned out to find shops to resume business. Messrs. Younger, Peters, Thompson and Whitehead, are all unable to find stores. Main street buildings being fully occupied. Mr. Steeves intends repairing the building at once, but it is so badly gutted that it will be at least a month or more before any shops are ready for occupation. The heaviest losers are Steeves, three or four thousand, buildings and stock; Peters, about \$800; stock; and Wilband, \$300 on furniture. Other losses are covered by insurance. The total loss is about ten thousand dollars.

FIRE DAMAGED CALAIS SHOE STORE.

It Was Owned by H. B. McAllister of St. Stephen.

St. Stephen, Dec. 30.—(Special)—Murchie & Lowe's Shoe store, Calais was badly damaged by fire last night. The store was owned by H. B. McAllister of St. Stephen. The cause of the fire is unknown. The stock was nearly a total loss. Insurance on building and stock will cover the loss.

POLICE COURT.

Three prisoners graced the bench at the police court this morning. James Lockhart, charged with drunkenness, was fined \$4 or ten days hard labor.

James O'Neil, who resides on the March Road, was found by officer Hamm, lying on Adelaide street yesterday afternoon. Blood was flowing from his nostrils and his face was severely bruised where he had come violently in contact with the ice. The patrolman procured a team and drove the wounded man to the North end police station. The officer then hastened to Dr. Christie's office but the physician was not to be found. As there was no sign of abatement of the bleeding an officer decided upon heroic treatment. He filled a bucket with water loosened the young man's clothing and poured the water down his back. The bleeding ceased and he was placed in one of the cells. O'Neil was in court this morning, charged with drunkenness and was fined \$4 or ten days' hard labor.

THAT STRAY LETTER

Belongs to the Woman's Auxiliary of Christ Church, St. Stephen.

The Times a few days ago stated that a letter addressed to "St. Stephen's church, Fredericton, Quebec, Canada," and written from "The Olives, Foo Chow, China," telling of a runaway and of a blind girl whose photo was enclosed, had been brought to this office in the hope of learning its real destination. This morning the Times received a letter from Rev. Canon Newham of St. Stephen, in which he says:—"No doubt the letter referred to is intended for the Woman's Auxiliary of the M. S. C. A., of this parish, Christ Church, St. Stephen. Some few months ago our auxiliary sent \$20 to the address mentioned in the letter, towards the support of a blind girl in that institution, and this letter is evidently an acknowledgement of that contribution. The letter and photograph will be at once forwarded to Rev. Canon Newham. The letter came from St. Stephen's Presbyterian church, and a member of that church brought it to the Times."

A RUSSIAN FINN

Is Going Home to Bring His Bride to Canada—Likes this Country.

Two Russian Finlanders named Jakob Maki and Carl Natalia, they are from Fort William where for the past two years and a half they have been employed in the C. P. R. car-penter shops. They are registered in the Grand Union. Jakob Maki is on a very pleasant mission. In conversation with a Times reporter this morning he stated that he belonged to Helsinki, Finland, and since coming to Canada has been located at Fort William. The object of his visit to his old home is for the purpose of taking unto himself for better or for worse a little blue-eyed girl, who when he left his native home pledged himself to be faithful. Now he is going back to have that pledge redeemed. Maki, in reply to the inquiry of what he thought of Canada said—"It is all right. I am not going home for good, but will return in the fall of next summer. I like Fort William and western points which I have visited. A man has no opportunity for promotion or advancement in Finland. The Russians are tyrannical and keep the Finlanders in a state of subserfdom. I would not go back there to live, under any consideration. I have done fairly well financially in my adopted home and will return and live in Canada. Many others of my race also intend locating in this country. Natalia was not such a willing conversationalist. He, however, was satisfied with Canada, and said that he was going home merely on a visit to his old folks. He also intends returning next summer, and while in Finland will speak a good word for Canada, and her great advantages. The two gentlemen will sail on the Tomian.

COUNTRY MARKET.

A Good Supply for the New Year's Dinner—The Prices.

The country market is well supplied with produce for the New Year's dinner. There is an abundance of good beef, the price of which is reasonable. Turkeys also are plentiful, and can be secured in all sizes. Chickens, geese and ducks are scarce, but there may be more of these tomorrow. Now that the roads are in good condition the farmers will probably take advantage of it, and bring in the produce they have been holding back. The retail prices this morning were as follows:—Turkeys, 22 to 24 cents a lb.; ducks, \$1.50 to \$2 a pr.; chickens, 50c to \$1.00; fowl, 50c to \$1; geese, \$1.40 to \$1.75 each; black ducks, \$1.25 pr.; whistlers, 90c; quail, \$1.50; brant, \$1.50; wild geese, \$1 to \$1.50 each; teal, 80c to 90c; moose, 10c lb.; venison, 10c to 15c; west-ern beef, 15c lb.; choice cuts; lamb and mutton, 7c to 14c; pork, 12c; dried beef, 20c; corned beef, 10c; hams and bacon, 15c to 18c. In vegetables there is a good variety at all prices, carrots, beets and parsnips 30c pk.; potatoes, 20c; squash, 8c lb.; celery 12c; lettuce, 6c; parsley, 5c; tomatoes, 5c; cucumbers, 20c each; mushrooms, 45 cents can. Butter in tubs, 18c; to 20c; roll do, 20c; to 25c; case eggs, 20c; to 25; henry, 00, 35c.

A GOOD PERFORMANCE.

The Dalley Stock Company presented "Tess of the D'Urbervilles" at the Opera House last evening. The play is by far the best this company has yet played in St. John. Miss Helen Ray, as Tess, was exceedingly good, and although she did not altogether look the part, her conception of it entitles her to the highest praise. Charles Booth, gave a careful rendering of the part of Angel Clare, although a little cutting in depth of feeling at times. Chas. Barringer, was seen to great advantage in the character of Alex. D'Urberville. The part offers many opportunities for emotional work and Mr. Barringer embraced them all. Richard Tabor was good as Abraham D'Urberville, as was George Robinson as John D'Urberville. Miss Carr, Miss Hartley, Miss Blake, and Miss Gleason gave adequate support. The scenery, which was painted by the company's artist, was handsome, especially the representation of Druidical stones at Stonehenge. Tess of the D'Urbervilles will play for the remainder of the week.

PROVINCIAL ACCOUNTS

Hon. Dr. Pugsley Says There Is a Genuine Surplus of Over \$5,000.

In another portion of this issue will be found a statement of the provincial accounts for the past year. The Telegraph in commenting on the report claims that the showing is the most favorable in many years, and that a balance of \$5,000 is shown. The Sun says—"The financial statement for the provincial fiscal year ending with October last shows an apparent deficit of \$3,804. That is to say a deposit of \$10,000 has been made with the receiver general, and \$2,901 was carried over from the previous year, while a deposit of \$4,000 has been repaid and a balance of \$5,097 remains on hand. Until the house meets there is no way of knowing how many bills remain unpaid, or have been made. It is not to be taken into the year's account." Thus it will be seen that the two papers are widely different in their comments. A Times reporter called on Hon. Dr. Pugsley this morning in reference to the conflicting statements. Dr. Pugsley replied that the Telegraph's statement of over \$5,000 surplus was quite correct, and he furthermore said, that if the bonds of the Baker Brook property, amounting to \$5,000, had been issued, as the legislature authorized, there would be a surplus of over \$10,000. This property is at present leased by the government to Donald Fraser & Sons.

A QUIET ELECTION.

It is Believed a Very Small Vote Will Be Polled Today.

Except for the fact that the railroads are closed, and that small knots of men and sleighs are standing around the polling booths, one would scarcely know that an election was being held in St. John today. Outside of the workers in various wards, very little interest is being taken in the election, and the indications are that not much more than a handful of votes will be polled. The general opinion seems to be that Mr. Lowell will have no trouble in carrying the county, but there seems to be considerable doubt as to the result in the city. Some few letters were made this morning of two to one on Maxwell. Owing to the fact that the ballots at this election are enclosed in envelopes it will probably be later than usual when the returns are made known, as it will take a longer time to count them. A second edition of the Times will be issued as soon as the returns can be obtained, which it is expected will be about 2.30 or 6 o'clock this afternoon.

AN INDUCTION SERVICE.

Rev. A. E. Wither the new pastor of St. Stephen's Presbyterian church was inducted last night in the presence of a large congregation. The following ministers were present:—Rev. A. E. Foster, clerk of the St. John Presbytery; Rev. Dr. Fotheringham; Rev. H. Reid, the new pastor of the Carleton Presbyterian church; Rev. J. W. A. Nicholson; Rev. Dan Lang; Rev. James Rose and Rev. Dr. Fraser, the former pastor.

Dr. Fraser opened the service with prayer, and Rev. A. E. Foster spoke of the steps taken to secure a new pastor. Rev. Dr. Fotheringham addressed the new minister after which Rev. Mr. Reid addressed the congregation. At the close of the service members of the congregation were presented to their new pastor, after which all addressed the school room where refreshments were served and the remainder of the evening was spent in social way.

There is a real treat in store for St. John's people on Jan. 16th and 17th, in the Congregational church, when Major G. H. Schoof will tell of his experiences on the ranches of the western states, and with the mounted police in South Africa. The Truro News, says:—"There was not a dull moment during his whole address, and there were many expressions of favor at the close." Major Schoof also has a large number of curios, quite out of the ordinary, and well worth seeing.

SHOULD BE REMEDIED.

The conditions at Sand Point are about the same as last reported, in regard to the amount of rubbish at wharves at the wharves there. In addition to this refuse, the wharves at some places are completely blocked up with large casks and barrels that should be placed in the warehouses, as it is almost impossible under the present condition of affairs for one to move along the wharves at all. Not long ago three men were injured by falling over the rubbish in the dark, and unless something is done in regard to the matter, more accidents will certainly follow.
