Canada's Trade Within the Empire

will grow in
proportion to
the development
of the Sea-Conscious
Spirit

- In the people
- In the Government
- In the Schools

The map of the Dominion shows at a glance
the extreme difficulty of spreading a Sea-
Conscious Spirit.

To develop our Sea-Heritage, we
must send chosen and trained emis-
saries—our most able business men—
to make Preferential trade agreements
with other nations in the Empire. And
we must make good these trade agree-
ments with Canadian Ships.

'PARTNERS OF NIGHT' IMPERIAL'S BIG FILM

Splendid Goldwyn Attraction
at the Imperial—Babe Ruth
Picture Engrosses Baseball
Fans.

Imperial Theatre was crowded yes-
terday afternoon and again in the even-
ing with people who know good pic-
tures when they see them. All seemed
greatly pleased. The special feature for
the present three days of the week is
Leroy Scott's gripping story of New
York police officers entitled "Partners of
the Night." It is a Goldwyn produc-
tion and those who have read the yarn
in a leading magazine state that it fol-
lows the fiction faithfully in every de-
tail. The choice of characters and types
is marvellous and the setting and stag-
ing of the piece intricate and true to the
last detail.

It is the story of a renowned detec-
tive who is set out to corral a gang of
criminals, the leader of whom is al-
leged to be a woman—a person who
poses as a society belle but whose ul-
terior motive is thieving and burglary.

The man of the law meets the girl but
does not know she is the arch-conspir-
ator. A love affair springs up. Slowly
and closely the dragnet of the law gath-
ers about the coterie of professional
thieves. The great climax is reached
when the detective is confronted with
his own sweetheart in the arresting
scene. How the story terminates is a
wonder of surprises and satisfaction.

Not second to this splendid feature
in interest—at least to a large portion of
each houseful of patrons—was a novelty
reel of baseball pictures showing emi-
nent stars of the game of today at the
bat and in the pitchers' box. The meth-
ods by which they have made them-
selves famous are laid bare by the new
ultra-speed camera, which reduces the
swift action of the experts to that slow
analyzed motion seen in scientific pic-
tures. Babe Ruth's famous home run
"dope" was thus shown and also that
of Frito Speaker and several of the noted
pitchers. It was a splendid departure
in movies and was greatly enjoyed.

The remainder of the programme con-
sisted of the Burton Holmes travogue
and the Tropic of the Day—always a
source of much merriment. The same
bill is to be on today. Tomorrow there
will be new miscellaneous reels but the
same big feature. On Thursday "Polly-
anna" with Mary Pickford will be the
great attraction.
