GOOD AT OPERA HOUSE

Tonight Last Times for Current
Bill—The New Acts
for Friday

If it is a hot night, just remember the
Opera House is one of the coolest places
in town, and that there is always a good
show on—five selected vaudeville
features and a serial picture drama. To-
night is the last time for the current
bill, which includes "The Boys in Blue",
"The Captains", Isabelle D'Armand in a
real novelty, "A Bit of Old Egypt",
Dae and Neville in a little one act play
let on domestic happiness that is one
huge scream of laughter. You will like
it, for everybody else does. Geo. W.
Mack, versatile entertainer, and Col.
Diamond and granddaughter in a clever
dance offering, and the serial picture,
"The Man of Might". This evening at
7.30 and 9.30.

The regular change of bill opening to-
morrow evening, offers Little Alright,
Japanese equilibrist, magician and acro-
bat; Mitchell and Markham in a comedy
skit with comedy songs and eccentric
dancing; Thompson and Hale, two girls,
in a high class vocal and piano offering;
Richards and Lawrence, eccentric com-
edy; Panzer Duo, acrobats extraordi-
nary; and the serial drama, "The Tiger's
Trail".

THE AURORE
Those who were stirring in the out-
lying districts last night saw a splendid
exhibition of the Aurora Borealis in the
north-western heavens. The great
shafts of delicately tinted scintillating
light stretched out from the horizon and
at times reached nearly to the zenith.
On account of the glare in the streets
this pleasing spectacle was denied those
who remain in the city but the summer
colonists witnessed the display with de-
light.

CAUCUS FAVORS A
UNIONIST PARTY

Ottawa, June 25.—A government caucus
this morning considered the organiza-
tion of a permanent Unionist party.
Sir Robert Borden made a speech fav-
oring the principle and it is said he ex-
pressed a willingness to retire from the
leadership of the party at any time if
it was considered in the best interests
of the Unionists. The feeling of the
caucus, however, was that he should re-
main.

It is understood that the great major-
ity of those who spoke, favored consoli-
dation of members who were elected to
support the government into a permanent
political party and that definite plans
looking to this will be presented at a
later caucus.

REPORT ON THE
ST. JOHN HARBOR
PROPERTY VALUE

The report of the valuation of the
St. John harbor properties prepared by
P. R. Ross & Sons for the department
of marine and fisheries, is a rather in-
volved document. Extracts from the
report are as follows—

We have not found it possible to ob-
tain any reliable information in regard
to the figures prior to December 31, 1908.
The chamberlain in his report of 1901
says that no property inventory had
been made since the year 1880. We were
unable to get any information of the
inventory referred to and were obliged
to rely on the valuations on the pub-
lic accounts of 1900.

No effect has been given in our fig-
ures to a certain agreement between the
king, the C. P. R. and the city, dated
April 30, 1912. We are not in a posi-
tion to judge into the concessions given
the crown and the railway company.
The value of the properties acquired
under the agreement to the extent of
\$200,000. We note, however,
that the corporation has a rough valua-
tion of \$10,000 thereon.

In certain cases the corporation found
it necessary to expend money for the
purpose of acquiring the properties. The
amounts paid as compensation to the
lessors in these cases were treated as
capital expenditures. No consideration
has been given to the loss of revenue
suffered as a result of the loss.

There may be some maintenance
charges included in capital outlay, and
there may be some capital charges in-
cluded in maintenance account.

In the year 1913 the corporation made
certain valuations of its harbor prop-
erty, relying likely on the estimate of
its engineers. These valuations (totaling
\$1,844,000), are apparently used as a
basis or arriving at the valuations
of 1918. Comparing these valuations
in detail with the actual capital outlay
on the harbor works, while the individ-
ual differences seem to be considerable,
the total results are approximately the
same. The capital outlay may not neces-
sarily establish a valuation on any of
these properties as both depreciation and
appreciation have to be considered.

Summary
The results of our investigations are—
In relation to the valuation of the prop-
erty in 1900 and expenditures subsequent
thereon, and excluding any amount
for the C. P. R. wharf valuation, the
city has made capital expenditures on
the properties of \$2,027,160.72.

The corporation of the city of St. John
values these properties at \$1,844,466.
This difference might be accounted for
by allowance having been made to
proximate the value of the properties
by the loss referred to in rebuilding
fire loss, etc.

In order to arrive at the total cost
of construction the operation we have
summarized our findings as hereunder:
Cost, less various deductions and ad-
ditions, \$970,697.57.

Apparent outlay in wharves and prop-
erty of \$2,027,160.72.
Less: Bonds redeemed from 1880 to 1919,
\$820,890.

The apparent net loss on harbor oper-
ations is figured by the auditors at
\$308,281.

We have not given consideration in

HOUSE AGAINST
SENATE ACTION
ON PROHIBITION

Ottawa, June 25.—When the senate
amendment to the prohibition bill, mak-
ing federal prohibition terminable on the
conclusion of peace came before the
House of Commons this morning, Sir
Robert Borden moved that the house
disagree with the amended measure.
The motion was carried by a vote of
105 to 84.

INVESTIGATE
MERGERS IN
THE DOMINION

Ottawa, June 25.—The immediate crea-
tion of a tribunal with power to investi-
gate mergers, trust monopolies and all
matters affecting the public interest
outlined by the people was recommended
in an interim report presented this morn-
ing by G. B. Nicholson, chairman of the
special committee of the senate.

The committee states that it has not yet
had time to reach final conclusions and
another report will be made later. The
report suggests that legislation bringing
this tribunal into existence should be
enacted at the present session of parlia-
ment.

COL. C. W. W. McLEAN
AT CANADIAN CLUB

Leut. Col. C. W. W. McLean, C.M.G.,
D.S.O., M.P., addressed the Canadian
Club at luncheon today and was given
a glowing and hearty reception. His father,
Major-General H. McLean, M.P., was
also at the guest table. The chairman,
Mr. Biddis, who presided in the un-
available absence of Sir Douglas Hazen,
remarked that he was in the unique posi-
tion of having on his table a distin-
guished soldier, both of whom were also
members of parliament and who bore
to each other the relation of father and
son. It was a notable incident in the
history of the Canadian Club.

Colonel McLean spoke on Comrade-
ship in relation to the great war, and the
different portions of the British empire.
He spoke very impressively on the sub-
ject of Bolshevism and made an elo-
quent plea for the returned soldier.

He pleaded also for the growth of ever
growing sentiment between Canada
and Britain, and speaking of the
coming visit of the Prince of Wales paid
a glowing tribute to the great war, and
the different portions of the British empire.

THE PRINCE OF WALES
An impressive ceremony, witnessed by
several thousands of troops, took place
today at the Prince of Wales' camp in
England, when the Prince of Wales pre-
sented the King's Color and the Regimental Colors to the
25th Battalion (Lieut. Col. Menzies),
of the 9th Brigade, and the 27th Bat-
talion (Col. H. J. Riley), the 28th (Col.
D. E. Macdougall), and the 29th (Lieut.
Col. H. S. Tobin), of the 6th Brigade.
The regimental colors of the 25th Bat-
talion were the gift of Lady Beaver-
brook and those of the other battalions
were from friends in Canada. The pa-
rade was under General Alexander Ross,
who was accompanied by the Prince of
Wales and Prince Albert paid on a re-
cent afternoon to the Beaver Hut in the
Strand. The Prince of Wales greeted as
old acquaintances several men whom he
had met casually in France, and had not
seen since.

**GERMAN CAPTAIN FINED FOR
NOT SALUTING AMERICAN**
Coblentz, June 24.—(By the Associated
Press)—Captain Bachmayer, assigned by
the German army to duty in Coblentz,
was fined 1,000 marks today for refusing
to salute an American lieutenant. The
captain contended that the war was over
and that, anyway, the regulations did
not call for his saluting an officer of
lower rank. This is the first instance of
an action of this kind since a definite
truce was taken in the peace situation.
Allied officers say that after the treaty
of peace is signed the regulation com-
pelling German officers to salute will
probably not be enforced.

TRAP SHOOTING.
Quite a large gathering of shooters
attended the semi-weekly shoot of the
local Trap Shooting Association on
Wednesday evening at Glen Falls. The
scores were as
