Free Advice About Your Manly Strength

TO MY READER:

Whether or not you lack an abundant vigor, here is a free offer which will surely interest you, and through which you may easily profit from now on to the end of a ripe, healthy, advanced age. I have compiled a little treatise for self help (book form) which I am pleased to send absolutely free by mail in a perfectly plain, sealed envelope to any man anywhere who writes for it. Over a million copies have already been thus distributed to those who wrote for them from all over the world. There is no obligation whatsoever involved in this offer, nothing which you are required to buy, nothing which you are required to pay for in any way, either now or in the future. It is just simply an out-and-out free proposal. In this little book of 72 pages, 8,000 words and 50 half-tone photo reproductions, I have endeavored to give a straight-forward talk to men, young and elderly, single and married, a concise compendium for self-reference, a perfectly plain discourse upon those important, personal matters relating to vital strength of men, the preservation of vitality, its possible self restoration, its legitimate uses and its wanton abuses. Every man should be in possession of this book. One part describes a little drugless mechanical vitaliser, which I make and distribute, but whether or not you wish to use one of these vitalisers is for you yourself to determine. However, aside from anything it contains in reference to my vitaliser, the book should be read by all for its own real worth. Therefore, please use free coupon below.

SANDEN, Author.

Reader, the whole world is today alive to the importance of a better general understanding of sex hygiene. The much discussed science of eugenics is teaching the great mass of people that strong, healthy, rugged parents beget equally sturdy children. Manhood, no matter where or in what condition of life we find it, is the single power that most fascinates both men and women. The one who radiates this manly influence, this result of a vigorous, sturdy nerve force, is the one who forges to the front, while weaker people stand aside.

It is my opinion that any man may hope for a complete restoration of his manhood and vigor if he but make up his mind that he WILL conquer himself.

Let Me Send You This Book FREE

If you live too far to call, or if you cannot call, please fill in the coupon below and send it to me. You will receive free, sealed, by return mail, my 72-page illustrated book, containing 8,000 words, a complete compendium of useful information for men young or elderly, single or married, who want the truth about the subject of vital strength, its preservation, its possible self restoration and its legitimate uses and wanton abuses. You get it all, free.

DR. E. F. SANDEN CO., 140 Yonge St., Toronto, Ont.

Dear Sir—Please forward me your book, as advertised, free, sealed.
