ST. JOHN BOYS FAIL TO GET LETTERS SENT FROM HOME—WHY?

Why are not St. John soldiers at Salisbury Plain, England, receiving mail sent to them from here? That was a question which the Times was asked today instance, at least, it is known that sev-

to place before the authorities. In one letter—three in one week—have failed to reach one of the soldiers boys though it is declared they were directed as advised. Letters from the young men ask for word from home and declare that not a line has been received since before they left Valcartier. Naturally they want to hear from their families. The letters are sent but, apparently, do not reach their destination. It should be looked into.

English Biscuits

This is the first shipment of English Biscuits, which we have received since the war started. They are costing us more to land, including extra custom duty, freight and war insurance. However, this extra cost we are going to lose, and have decided to sell them at the same old price as before.

"Ambitious colored man," advertises for a position as elevator attendant. He wants to rise, as it were.

The apple is beginning to regain the prestige it held when Adam was on earth.

Some one has suggested that in view of the enemy's hostilities doctors should be well armed. Ah, probably to take the germ out of German.

While speaking in similar vein why not a corps of dentists in order to kill the Germans' nerve?

If the men now fighting in Europe were engaged in Canada instead they might have an easier time of it, for it is hardly likely that the Lord's Day Alliance would let them scrap on Sunday.

CHAS. MILLER DEAD

St. John Loses Another Worthy Citizen

Stroke of Paralysis Came Yesterday—A Man Prominent in Business Life and Esteemed by All

Citizens were shocked this morning to learn of the suddenness with which the call of death had come to Charles Miller, who passed away early today at his home, 87 Douglas avenue, following a stroke of paralysis which he sustained only yesterday. Up to yesterday he had enjoyed his usual good health. All medical aid possible was given, but the stroke had left him beyond recovery, and death removed him from his sorrowing family this morning.

Mr. Miller was a most esteemed resident of St. John, where he had lived since being brought here by his parents, Mrs. and the late Henry U. Miller, from Hollis, Me., where he was born. They there he grew up, retaining the popularity gained in his youth, and regarded as a citizen of shrewd business ability, business in Bernersay, and Frank in Canada and local affairs, and pursued his business activities in St. John, where he gave employment to a large number of men.

His father was well known here as a lumber operator, and under his skillful guidance he received his early business education in the firm of Miller & Woodman in which his father was partner. He and his brother, the late James Miller, conducted a line and cement business for a time, and then he founded a saw business himself, later establishing a saw and shingle mill in Pokok. He had successfully operated this plant for about twenty-five years, besides being active in the lime business. By his employees he was held in the highest esteem, for he was always approachable and of a genial disposition.

Mr. Miller was 55 years old. He is survived by his wife, who was formerly Miss Helen, daughter of the late Archie bald Tapley of this city, and by three sons—Jaher, who has of late been managing the lumber plant here; George, in business in Bernersay, and Frank in the office of the St. John Iron Works. His mother, Mrs. H. U. Miller, also survives, with two brothers, Harry, also engaged in the lumber business here. The funeral will be held on Friday afternoon with services at his late residence at two o'clock. The sympathy of a host of friends will be extended to the family in their bereavement.

EVANS-DWYER

A very pretty wedding was solemnized this morning in St. Peter's church, at 5 o'clock, when Richard Henry Evans and Miss Mary Dwyer were united in marriage. The ceremony was performed by Rev. E. Walsh, C.S.S.R., with nuptial mass. The bride wore a cream serge suit with hat to match, with white silk feathers. Miss Margaret Christie acted as bridesmaid. She wore a navy blue suit with hat to match. The bride was given away by John Dwyer, her brother, who acted as best man. The groom's present to the bride was a check, to the bridesmaid a gold bracelet, to the groomsmen gold cuff links. Mr. and Mrs. Evans drove to the home of the bride's parents, where a dainty breakfast was served, and then left for Moncton to stay for a few days, enroute to upper provinces. They will reside in St. John. The bride's travelling suit was of blue with hat to match. They received useful presents, including cut glass and silverware.

SYRIANS IN ST. JOHN ARE AGAINST THE TURKS

According to representatives of the Syrian race in St. John, viz.: Raymond Tobias and Louis Corey, who represent the Syrian Protective Association, it is not correct to classify them among the alien enemies of Great Britain. There are between 400 and 500 Syrians in this city, and there is not one Mohammedan among them. They are all Christian Syrians hailing from the district of Mount Lebanon, and are under the joint protection of the British, French and Russian powers since 1861. They are not liable to military service, although nominally part of the Ottoman empire, and so far as likely to aid the Turks, nothing would please them better than to fight against them.

Messrs. Corey and Tobias advised that they had information from Mt. Lebanon that at the time the war started a great many Syrians from there joined the French army. One of the representatives, Mr. Tobias, is a representative of the Patriotic Fund Committee, and has collected money for this in this city. The Syrian Protective Association has contributed to this fund and will be glad to do so again. Nothing would give greater pleasure to the Syrian Christians than the destruction of Turkish power.

FAIRVILLE BROTHERHOOD

The Fairville Brotherhood met last evening and a report submitted by the constitution committee was discussed and voted upon section by section. This new constitution is on much broader lines than hitherto followed, and the membership is open to all men of any denomination in sympathy with its objects. An effort will be made at once to increase the attendance. The programme committee presented an outline of the winter's work which included lectures on practical subjects, historical, travel and other interesting topics, besides social evenings and other recreation periods.

The brotherhood expect to occupy the new church parlor when it is completed and a committee was struck to make arrangements for a public lecture to be delivered by Rev. W. H. Barracough of Centenary Methodist church next week, the proceeds to be the men's contribution to the parlor fund.

Buying Opportunities

Readjustments in the various merchandise markets have brought many opportunities.

While in some instances prices have risen, in others there have been great cutting of quotations due to the fact that the holders of goods desire to liquidate.

This liquidation is not unhealthy.

It merely means that commerce is readjusting itself to new conditions.

But the fact that such price fluctuations exist make it more than usually important that people post themselves before buying, in other words—

It will pay your pocketbook to study the advertising in The Telegraph and Times.
