Parliamentary Humour.

(Ottawa correspondence of the St. John *Globe*.)

The people of New Brunswick who were so greatly honored by the event, will not have forgotten that at a former session of Parliament, one of their number, the member for King's, was presented with a medal, a costly and *recherche* affair, made of the leaden cover of an inkstand and chastely engraved with a motto in Latin from the penknife of Sir Francis Hincks, and adorned with a goodly loop of red tape from which it could be suspended to decorate the member for King's aforesaid. It cannot be doubted that such tokens of consideration and regard from the members of Western constituencies toward a Maritime representative have done very much to perpetuate kindly relations between the different Provinces of Canada, and to cement the union in indissoluble bonds.

This much by way of preface for the story of an event that occurred the other day. It will be remembered that the member for Northumberland has greatly distinguished himself during the session by the number of speeches he has made upon the various subjects that have been before the House. But there has been one subject more than any other upon which the hon. member has particularly laid himself out, so to speak, and has from time to time and for many times, expended the full force of his matchless oratory. I need not say what all the world knows full well, that the subject to which I refer is that of the little bull of Barnaby's River who was foully drove to death by a murderous engine of an Intercolonial Railway train, driven by a reckless appointee of a Grit Government who had not the fear of Her Majesty's loyal Opposition before his eyes. Through these able and disinterested efforts the leader of the Barnaby River *herd*, though dead yet speaketh, he is *heard* in the legislative halls of Canada and though his roar no longer awakes the echoes of the Northumberland valleys, his champion awakes strong echoes in his behalf in the House of Commons. There is not an Irish Bull in literature, and not even the veritable John Bull himself, nor Sitting Bull at the head of his painted braves, who have now such a name and a fame in Canada as this Taurus of the River of Barnaby. The ancients, it is true, elevated one of the bovine species when they gave the name of Taurus the Bull to one of the signs of the Zodiac. Henceforth this old constellation must be known as Taurus Minor, while Northumberland's roarer takes his place in the firmament as Taurus Major.

It would have been strange, indeed, if the distinguished efforts of the hon. member to give imperishable fame to the memory of the slaughtered bovine should not have been appreciated and elicited marks of approval in some quarter. To the everlasting disgrace of the Commons of Canada be it said that some of its members with a moral turpitude that does discredit to humanity, and with a dullness of intellect that affords a strange commentary upon our representative institutions, gave but an indifferent hearing to the orator, had utterly failed to perceive the overshadowing importance of the subject. Some even seemed to think that such paltry matters as fiscal policy of the country, or the votings of moneys for the public service, should outweigh in importance the story of the tragic death of one of the finest bulls in all Northumberland! Not so the hon. Peter. He shrunk from no contest, however, stern, no difficulties however great but went steadily forward with unflinching purpose. Though desk lids rattled, and jews harps played, though whistles squeaked, and heavy boot heels of boorish representatives thumped the floor, full of all the inspiration and the refinement of his great subject, proud of the distinction of his great championship, with "pride in his port, defiance in his eye" he told again and again, again and again, again and again the story of the wrongs and the mournful end of the little bull.

It is creditable to the press of Canada that its representative men are not without appreciation of such talent so employed. It had been long intended among the pressmen in the gallery to mark this appreciation with a testimonial of some sort, and much time and deliberation were expended in selecting one that would be appropriate. The final selection was only decided upon the other day. A beautiful figure of a bull rampant, moulded in transparent candy, was purchased without regard to expense. The pressmen of Canada were equal to the occasion and wisely decided that it was not a time to deliberate between two cents and five in getting up a first-class testimonial. I may say that their choice did honor to their taste and disinterestedness. The sweet figure was laid kindly upon a sheet of cream laid note. Behind his caudal appendage was placed the cabalistic letter Y. Underneath were the simple words "for you." The whole legend was then made to read "Bull-y for you." It was felt that the English language afforded no sentiment more beautifully appropriate to the occasion.

Very little formality was shown in the matter of presenting the testimonial. A little page, perhaps all unconscious of his great mission—unconscious that he was enacting an event to fill a page of the world's history carried down the votive offering from the gallery and laid it on the Hon. Peter's desk. I must draw a veil over the tender and affecting scene in which mutual glances were exchanged between the recipient and the gallery, before he turned, with pardonable pride, to exhibit the favor to his great leader beside him. "Bully for you, Peter," said Sir John, and they wept. It was one of life's concentrated moments.

This narrative would be quite incomplete, if, after recounting the honors that have been showered upon two members of the New Brunswick triplet, some notice were not bestowed upon the third and the taller one of the three. The legal representative of St. John County delivered himself of a joke the other night. I use the word joke advisedly, and I am not permitted to have any doubts upon the subject, as the hon. member said it was a joke. He moreover laughed at it as if it were a joke. And I suppose it is a painful evidence of the dulness of the House that no one else laughed. But afterwards when the member had become perfectly sober in mood, and was saying "Surely, Mr. Speaker," and enforcing the point by repeatedly striking the two fore fingers of the right hand into the palm of the left, the members began to laugh. This is one of the greatest triumphs of oratory. Any one almost can make people laugh with a joke, but to make them painfully sober with a joke is only equalled by making them laugh with seriousness. Mr. Palmer's triumph went even farther than this. About a dozen members were so carried away that in the enthusiasm of the moment their hands seemed involuntarily to make the same motions as his. When Mr. Palmer's expended digits went up in the air, up in the air went a dozen other hands, and when with swift descent his right hand smote his left, down came a dozen other right hands upon a dozen lefts, and when Mr. Palmer said "surely" a dozen voices echoed "surely." This was a very striking demonstration. "surely." The maidenly voice of the member for King's saying "heah, heah," added to the effect. Mr. Palmer always moves the House, in the same way, though not always as I have described. He usually moves them to go out of the Chambers presumably to hide their conflicting emotions. His moving power one way and another is immense. Whatever time he rises he moves the members like the first of May.

CATARRH

A PHYSICIAN'S TESTIMONY.

30 Years a Physician. 12 Years a Sufferer. Tried Regular Remedies. Tried Patent Medicines. Permanently cured by

SANFORD'S RADICAL CURE.

MESSRS. WEEKS & POTTER,—Sirs: I have practised medicine for thirty years, and have been a sufferer myself for twelve years with Catarrh in the nasal passages, fauces and larynx. I have used everything in the *materia medica* without any permanent relief, until finally I was induced to try a patent medicine (something that we allopathists are very loth to do). I tried —— and divers others until I got hold of yours. I followed the directions to the letter, and am happy to say have had a permanent cure. Your RADICAL CURE is certainly a happy combination for the cure of that most unpleasant and dangerous of diseases.

Yours, respectfully,
D. W. GRAY, M.D.,
Of Dr. D. W. Gray & Son, Physicians and Druggists, Muscatine, Iowa.
MUSCATINE, IOWA, March 27, 1877.

The value of this remedy must not be overlooked in the cure of those

SYMPATHETIC DISEASES,

Affections of the Eye, Ear, Throat, Lungs and Bronchial Tubes which in many cases accompany a severe case of Catarrh. The inflamed and diseased condition of the mucous membrane is the cause of all these troubles; and until the system has been brought properly under the influence of the RADICAL CURE, perfect freedom from them cannot be reasonably expected.

It is but three years since SANFORD'S RADICAL CURE was placed before the public, but in that short time it has found its way from Maine to California, and is everywhere acknowledged by druggists and physicians to be the most successful preparation for the thorough treatment of Catarrh ever compounded. The fact will be deemed of more importance when it is coupled with the statement that within five years over 250 different remedies for Catarrh have been placed on sale, and to-day, with one or two exceptions, their names cannot be recalled by the best-informed druggist. Advertising may succeed in forcing a few sales, but, unless the remedy possess undoubted specific medical properties, it is absolutely certain to fall into merited obscurity.

Each package of SANFORD'S RADICAL CURE contains Dr. Sanford's Improved Inhaling Tube, with full directions for its use in all cases. Price $1.00. Sold by all wholesale and retail druggists and dealers throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

DR. CHANNING'S Sarsaparilla FOR THE BLOOD.

CURES SYPHILIS, SCROFULA, SALT-RHEUM, ALL SKIN-DISEASES, TUMORS, ENLARGEMENT OF THE LIVER AND SPLEEN, RHEUMATIC AFFECTIONS, DISEASES OF THE KIDNEYS, BLADDER AND URINARY ORGANS, LEUCORRHŒA, CATARRH, AND ALL DISEASES RESULTING FROM A DEPRAVED AND IMPURE CONDITION OF THE BLOOD.

A HIGHLY CONCENTRATED EXTRACT OF RED JAMAICA SARSAPARILLA AND THE DOUBLE IODIDES.

Space forbids the giving more testimony in this place, in favor of this great medicine. Is not one certificate, however, from an eminent and well-known Physician like Dr. Bessey, of Montreal, sufficient to establish its superiority over the numerous mixtures called Blood Purifiers offered by Druggists and others?

T. C. STRATTON, Esq.
Montreal, Feb. 1st, 1877.

I cannot but regard the formula from which Dr. Channing's Sarsaparilla is prepared, as one of the best possible combinations to constitute an effectual remedy, for the cure of *Blood Impurities*. So far as my experience leads me with this remedy, I can testify to its great value in the treatment of all Strumous and Cachectic affections, as Glandular Enlargements, and a wide range of skin affections; as a reliable preparation for general use as a *blood purifier*, I know of none equal to it, combining as it does, all the imputed virtues of Sarsaparilla, and several other valuable remedies, with the extraordinary all terative properties of the "*Double Iodides*," and of none that can be more highly recommended as safe, certain and reliable, and I have every confidence that such a remedy for general use, taking the place of the many worthless nostrums of the day, will be a great boon to suffering humanity, and its use will be attended with the most satisfactory results. It should be invaluable to persons beyond the reach of medical advice, and will, no doubt, become popular with Medical men throughout the country.

Respectfully yours,
W. E. BESSEY, M.D.
Beaver Hall Square.

NOTE.—Dr. Channing's Sarsaparilla is put up in large bottles, with the name blown in the Glass, and retails at $1.00 per bottle, or Six Bottles for Five Dollars. Sold by Druggists generally, and most Country Stores. Be sure, and ask for Dr Channing's Sarsaparilla, and take no other. If not readily obtained in your locality, address the General Agents.

Ayer's Cherry Pectoral.

For Diseases of the Throat and Lungs such as Coughs Colds, Whooping Cough, Bronchitis, sthma and CONSUMPTION.

The few compositions which have won the confidence of mankind and become household words, among not only one but many nations must have extraordinary virtues. Perhaps no one ever secured so wide a reputation, so maintained it so long as AYER'S CHERRY PECTORAL. It has been known to the public about forty years, by a long continued series of marvellous cures, that have won for it a confidence in its virtues, never equalled by any other medicine. It still makes the most effectual cures of *Coughs, Colds, Consumption*, that can be made by medical skill Indeed the CHERRY PECTORAL has really robbed these dangerous diseases of their terrors, to a great extent, and given a feeling of immunity from their fatal effects, that is well founded if the remedy be taken in season. Every family should have it in their closet for the ready and prompt relief of its members. Sickness, suffering, and even life are saved by this timely protection. The prudent should not neglect it, and the wise will not. Keep it by you for the protection it affords by its timely use in sudden attacks.

Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy. Pain in Shoulders, Back and Lungs, and Droppings in Throat Disappear.

ST. ARMAND, P. Q., Sept. 13, 1876.

MR. T. J. B. HARDING.
DEAR SIR,—Being desirous that others may know something of the merits of your CONSTITUTIONAL CATARRH REMEDY, I wish to inform you what it has done for me. I am 39 years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right side as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery is attributable solely, with God's blessing, to the use of your Catarrh Remedy. Yours truly, HENRY SNIDER.

—MANUFACTURER OF—
Steam Engines & Boilers, Gang and Rotary Saw Mills, Gang Edgers, Shingle Mills & General Machinery.

Sole Manufacturer of Pond's Wisconsin
PATENT ROTARY
SAW CARRIAGE.

THIS invention pronounced the "*Ne Plus-ultra*" of Saw Mills is destined to sweep all rivals from the field. Interlocking hook and lever dogs are used by which the logs are DOGGED and CANTED automatically. The head blocks are fitted with sliding racks which move forward and back and by this means a long sweeping log can be sprung straight, and tapering logs can be cut to the *greatest possible advantage* When one log is sawed the Head Blocks are run back by friction ready to receive another log as the carriage is returning. The whole of this work is performed by a man who rides on the carriage. This mill has shown itself in ACTUAL COMPETITION capable of rivaling one of the best gangs in New Brunswick, averaging 35 M. Per Day, and cutting ready for edging a LOG PER MINUTE, with ease.

The right to manufacture and sell this mill in the Dominion of Canada has been purchased by the Subscriber.

Any further information may be had by communicating with me, or my Salesman, Mr. C. C. CARLYLE, will wait on responsible parties desiring information, with model and plans of said mill.

TO THE FARMERS OF MIRAMICHI.
We have been Manufacturing
IRON FRAME MOWERS
For the last four years, and are now offering to the farming community this, the
BEST MOWER,
combining greater excellence of mechanical simplicity together with greater durability and entire reliability for all the requirements of the field, than any other Mower extant.—In construction they are similar to the celebrated Walter A. Wood's Iron Frame Mower, and the Richardson Buckeye, both American Machines. Of the former there are over 200,000 in use, and the extraordinary number of 20,000 were manufactured and sold last season, by the Wood Company of United States. We have over 500 of our manufacture now in use, every one of which (no exceptions) stands as a monument of the grand and unprecedented success of home manufacture and our enterprise. A list of our Agents in this section of the Province will be found appended, and farmers are requested to ask information of them relative to our Mowers in use in their respective localities, which will establish beyond doubt their unquestionable superiority over any other mower to be had in our market.

The facility of procuring all parts or pieces within a nominal length of time must show beyond the shadow of a doubt the claims such an enterprise has upon the farmers of the Maritime Provinces.

For the coming harvest of 1877 we will manufacture LARGELY in excess of our numbers of last season, and trust that our growing enterprise may find such inducements held out to it as will be commensurate with its merits.

Let it be remembered we have no hesitation at all times, in entering into a friendly competition in the field with any other machine in our market. WE GUARANTEE OUR MOWERS TO BE INFERIOR TO NONE. Farmers would do well to enquire prices and terms before purchasing elsewhere.
