The Scotland Yard people have lost their bloodhounds.

cutarrh is in the blood. No ours for this loathsome and dangerous disease is possible until the poison is thoroughly eradicated from the system. For this purpose, Ayer's Sarsaparilla is the best and most economical medicine. Price \$1. Six bottles, \$5. Worth \$5 a bottle.

Ayer's Pills, being convenient, effica-cious, and safe, are the best cathartic, whether on land or sea, in city or coun-try. For constipation, sick headache, indigestion, and torpid liver, they never fail. Try a box of them; they are sugar-coated.

The body of Count Premio-Real, who committed suicide at Quebec, was buried on last Saturday in unconsecrated ground. Success in life is the result of push and energy. If the blood is impure and aluggish, both body and mind lack vigor. To cleanse and vitalise the blood and impart

new life to the system, nothing else has such a marvelous effect as Ayer's Sarasp-arilla. The doctors are still threshing out their differences regarding Emperor Frederick's case, and Dr. Bergmann expresses his willingness to fight Dr. Mackenzie.
