TOMMY ATKINS NEEDS RELIGION

Secretary Haldane Asks for Greater Interest in the Army.

Efforts Will be Made to Secure Employment For all Time-expired Men—Other Improvements Talked About.

LONDON July 12.—War Secretary Haldane, in opening the new portion of the soldiers' and sailors' home at Pinlloe last night, said unless the people work for the welfare of the soldier outside his bare profession, they would not get the quality of men needed. They could not induce men to give the country their best unless they were prepared to hold out some prospect of care and help, due those willing to lay down their lives for the nation. For some time he said, a war office committee had been laboring on plans along these lines and for the co-operation of existing agencies with some state assistance for a systematized arrangement for providing employment for former soldiers and improving their material condition. The committee's report would show how deeply the religious aspect had impressed those concerned with the army. Mr. Haldane was not connected with any particular denomination, but held the profound conviction that unless those concerned with the welfare of the soldier strove to awaken in him a sense of his duty, he would be unable to succeed in their work. Soldiers and sailors, he said, are liable to temptation, as are all men, but the safeguard was the consciousness that man is as necessary to God, as God is to him. Mr. Haldane said he felt strongly that the care of the spiritual needs of the army should be placed in a comprehensive organization for increasing the breadth and reality of the foundation on which this matter should be dealt with. He said the army council had decided to appoint a committee as part of the regular army organization, charged with looking after the spiritual needs of the soldiers on a broad and comprehensive basis. All churches would be represented on this committee and the members would be army chaplains who appreciated these matters.

REPAIRING LEAKS IN THE PARTRIDGE ISLAND LINE.

Diver Leaky Has Been at Work for Some Weeks and Has Had Good Results.

For the past three or four weeks Diver Edward Leaky has been working over the pipe which was laid from Port Dufferin to Partridge Island, tightening the joints and endeavoring to stop the leaks. This pipe, which is six inches in diameter, made of wrought iron and fitted with ball and socket joints, was laid last winter for the purpose of supplying Partridge Island with water. The pipe is, roughly, 4,000 feet in length, and is laid on an almost perfectly flat bottom in the channel. The bottom is of sand for almost the whole distance, the only roughness being about 100 feet extending out from the Partridge Island shore.

For some months, Dr. March and other residents of the island have been using the city water and it is found that at a point on the island 40 feet above level there is a pressure of 75 pounds. It is anticipated that when the pipe is extended to all portions of the island there will be a sufficient pressure to throw water over any building now there. At the present time the different residents are supplied through a 2 inch pipe which starts at the end of the main line near the building used for fumigating purposes.

The announcement is made that on Wednesday, the 18th inst., Miss Ethel Collins, daughter of L. C. R. pollockman, Jolly Collins, will be united in marriage to Albert Edward Cameron, of this city. The wedding will take place at 8 o'clock in the morning at the residence of the bride's father, 194 Paradise Row.

Considerable interest is being taken in the game of quoits in the West End grounds. Last evening the West Enders defeated the City Stars in three games, the score being 21 to 2, 21 to 8 and 21 to 15. Tomorrow evening the woman Brook team will battle with the West Enders.

The members of the City Cornet Band are requested to be at their band room at 7.30 this evening, sharp, in uniform.

ORANGEMEN ALL OVER THE PROVINCES CELEBRATE THE GLORIOUS TWELFTH.

A large number of Orangemen and other pleasure seekers left the city this morning for various points of interest. The Orangemen of the city lodges assembled at Orange Hall this morning and, accompanied by the Carleton Cornet band, marched to the station, where they took a special at 1.30 o'clock, for Sussex. Eleven carloads of people left by this special, of which over 200 were Orangemen. On leaving German street, the Cornet band, playing lively airs, marched in front of the procession, immediately followed by the "Black Knights" and other members. It was a gay company that proceeded to the train with their banners, held to the breeze. The celebration at Sussex, and this will be the fifteenth which she has had the pleasure of participating in.

Dominion L. O. L. of the north end, "True Blue" L. O. L. of west end, and the Prentice Boys of Carleton, left at 7.45 o'clock this morning on the Prince Rupert for Digby. They were accompanied by Mr. Mary's band which proceeded north end Orangemen from their hall, Simonds street, to the boat.

PINE WEATHER AT SUSSEX.

SUSSEX, N. B., July 12.—Cloudy but fine weather greeted the Orangemen here today. The attendance, while not as large as expected, was good. The special from St. John brought a large crowd, and hundreds came to town by boat and carriage. After arrival of the morning trains, a procession started from Masons hall and marched to the pier, accompanied by some ten lodges in line. The parade was witnessed by several thousand people. Speeches were made from the bandstand by Col. Armstrong, Rev. Mr. Fulton (grand chaplain), and Mr. M. Sprout, and Grand Secretary Morrison. This afternoon a great crowd attended the horse races.

ST. JOHN LODGES AT DIGBY.

DIGBY, N. B., July 12.—The Orangemen from St. John by the Prince Rupert were met at the public pier by the lodges from Deepbrook, Annapolis county, and Centreville, Digby county. All the lodges formed up in procession on the pier and marched through the principal streets of the town. A good many not attending the procession, which numbered, with the excellent band, about 200. The procession made a fine appearance and was well marshalled.

ZION CHURCH MATTERS.

Stewards Say Some of the Names on the Petition Were Forged.

In connection with the internal dissensions of Zion church which have caused so much discussion in the press, the following statement handed to the Star by Arthur C. Powers, recording steward, is of special interest at this time. "Perhaps a few words concerning a certain petition that was presented to the recent conference, the prayer of which was not complied with, may not be deemed out of place. We have devised saying anything for the press, but in view of the efforts which have been made to induce persons to leave the church in justice to ourselves and our new minister demands our silence should be broken. Of the ninety-six names on said petition sixty-seven are either connected with other city churches, or of whose church affiliations we know nothing. None of these are other members of the church, pew-holders, or envelope contributors, and of the balance only four contribute weekly by envelope. It is true that five or six have given up their pews, but some of these have already been taken by others. On one fact special note should be taken, some of the names on the petition are forged."

TWO BALLOTS TAKEN, NO BISHOP CHOSEN

Canon Richardson Leads For the Office of Coadjutor.

Got the Largest Number of Votes in Both the First and Second Ballots—Third Ballot Taken at 2.30.

FREDERICTON, N. B., July 12.—The Church of England Synod entered upon its third day session at 10 o'clock this morning. After the regular opening the Synod at once proceeded to the election of a Bishop Coadjutor. Judge Hanington suggested that each go forward and vote as his name was called, the clergy, of course, voting first. It was well understood that the voting was by ballot. Rev. Mr. McKell asked if a candidate did not receive his proper title on his ballot if the ballot would be invalidated thereby. Canon Newham said certainly not as long as the ballot showed who was meant it would be perfectly good. Before proceeding to election Commissary Neales led in prayer in which the whole Synod joined. On motion of Judge Hanington seconded by Chancellor T. C. Allan, the Synod then proceeded to the election of a Bishop Coadjutor, the secretary calling first the roll of clergy and then the roll of the laity. As each name was called those present advanced to the platform and deposited his ballot, the clergy depositing in one box, and the laity in another. Rev. G. F. Schofield and Hon. J. P. Burchell were appointed tellers of the clergy and the Rev. H. E. Dibble and Montgomery Campbell of the laity vote. They announced that fifty-six clergymen had answered to their names and that fifty-six had voted, that fifty-one lay representatives had answered to their names and that fifty-one had voted. The Canon requires that in order to elect a Bishop he must receive two-thirds vote of each order. This makes necessary for election that the successful candidate must receive thirty-eight of the clergy vote and thirty-four of the lay representatives.

CRUEL TREATMENT OF LAMBS ON RIVER BOAT

Five of Them Nearly Smothered in a Little Box—Secretary Wetmore Will Take Action.

A case of cruelty to animals which would seem to warrant prompt action by the secretary of the S. P. C. A. occurred on the steamer Crystal Stream yesterday afternoon. When the boat arrived Mr. Wetmore, as usual went on board, but for a time failed to notice anything which would call for investigation. There was a small packing box among the freight on the steamer, to which no attention was at first paid, but, greatly to Mr. Wetmore's surprise, he later on discovered that the box contained five live lambs. The box was 2 ft. 2 inches square and of the same depth. In it there was not room for one lamb to stand up, and the five poor little creatures which had spent the whole afternoon in the box were almost dead when landed.

The jury empanelled to enquire into the cause of the death of Mrs. Michael Gallagher, near Westfield, today decided that she came to her death by being accidentally struck by the train coming from Boston yesterday morning. The jury exonerated the train hands from all blame and stated in their verdict that everything possible had been done to avoid the accident, and that the train had been stopped in a remarkably short time. It consisted of eight cars and was brought to a standstill before it had gone the length of itself.

HORRIBLE OUTRAGES PERPETRATED BY TURKS

TIFLIS, Trans-Caucasia, July 12.—Alarming news has been received here of horrible ravages by Turkish troops across the border, in Turkish Armenia. Soldiers who were collecting taxes are said to have indulged in frightful outrages. The population of the city of Van is reported to have been nearly destroyed by the Turkish troops who pulled down houses, assaulted the women and acted generally like wild beasts.

THE SULLIVANS AGAIN.

Mrs. John Sullivan will know to the police officials, having been prominent in a number of cases and generally known as Queen of the Assyrian colony, called the police court today docked out in the latest fashion. She patiently waited until the proceedings of the court had finished and then made a charge against her husband. In her whining tone of voice she secured forth a great amount of trouble in a very few minutes. She said her husband had left her, taken their baby, five years of age, from her, broken her gold watch and taken the bed from under her, leaving her to sleep on the floor. She was told by a court official that a husband could not steal from his wife, nor could a wife steal from her husband. The child was as much the husband's as the wife's and the official, out of breath after explaining matters, looked weary when the Queen asked, Why? She was told to go and tell her troubles to a lawyer, and after a few minutes' hesitation, she left the court room.
