

At the Annual Meeting held at Windsor, June 29th, 1856, Dr. King moved the resolution, notice of which was given at the last annual meeting by the Rev. Dr. Twining, in reference to the mode of election of Governors, viz: that the present mode of voting for each individual separately and in alphabetical order be discontinued, and that the usual mode of putting all the names proposed on the same ballot, out of whom those having the highest number shall be declared elected, should be adopted; which motion was seconded by Dr. Almon. After considerable discussion Mr. A. M. Cochran moved in amendment that the following proviso be added:—"Provided that no person shall be declared elected as Governor unless he have a majority of votes cast." The amendment was seconded by Nepean Clarke, Esq., and carried. The original resolution of Rev. Dr. Twining as amended by Mr. Cochran's proviso, then passed.

At the annual meeting, June 25th, 1873:—

"That in the election of Governors the order of names be such as to place the name of the candidate obtaining the smallest number of votes at the head of the list, and so in succession."

At the general meeting, October 17th, 1856:—

"That the right of voting by proxy be in no way interfered with."

At the general meeting, June 24th, 1857:—

"That the ballot be not sent round for any officer of this Association, or of the Board of Governors, whose name has not been previously proposed and seconded by some member of the Association; and that the ballot be not taken until all the names of all persons intended to be proposed for any office be given."

At the annual meeting, June 27th, 1860, the following resolutions passed:—

"That the Executive Committee of the Associate Alumni be empowered at their monthly meetings, during the interval between one annual general meeting and the next, to elect members of the Incorporation, provided that no black beans be cast against them."
