**ALGONQUIN NATIONAL PARK.**  
The Grand Trunk Railway, in view  
of the very large increased number of  
winter tourists this season at High-  
land Inn, in National Algonquin Park,  
are making extensive improvements to  
their line. These improvements will be  
completed about the 1st of May, and  
consist of a 165 ft. extension to the  
west wing, which will include some 50  
rooms for guests; a music room, 300  
sq. ft. room, 70x200; billiard room, 20  
x30; and a store outfitting department  
30x62. This store department is  
unique, as it contains everything from  
a needle to camp equipment. Tourists  
desiring to make trips through the  
park can be supplied with tents, boats,  
canees, fishing equipment, supplies  
and guide, the price not exorbitant.  
The rotunda is largely increased, also  
the dining room, necessitating new  
kitchens, serving rooms, etc. An ad-  
ditional room for the use of children  
and nurses, will be built, and the  
guides are to have a separate estab-  
lishment. With a new ice house, cold  
storage, enlarged dancing hall, and  
other alterations referred to, will make  
this Inn one of the most complete and  
perfect in the lake and mountain  
parts of Ontario. A large toboggan  
slide will also be constructed during  
the summer. During the winter, tour-  
ists from all over Canada have made

guests from 18 to 25, and it is pleasing  
to note that most of these guests are

## AGED CLERGY GO IN DISCARD

**Remuneration Small in Church  
and Term of Usefulness is  
Brief—Hundreds Annually  
Dismissed.**

Louisville, Ky., May 21.—After the  
surprising declaration that there are  
2,000 churches in the United States  
pastorless and shepherdless had been  
made in the General Assembly of the  
Presbyterian Church today, resolu-  
tions were adopted urging that all  
Presbyterian commissioners (laymen)  
keep in close touch with young men  
who might be candidates for the min-  
istry.

Rev. Jos. W. Cochran, of Philadel-  
phia, discussing a minister's living  
chances, declared: "We have advised  
to the effect that a man to be a min-  
ister must have a close touch with young men  
who might be candidates for the min-  
istry. I'll admit that the salaries are  
not princely, but it cannot be re-  
mended except by this very Assembly."  
Immediately Rev. Henry J. Bec-  
ker of Rockwell, interrupted: "Hundreds  
of grey haired men of the ministry an-  
nually 'dismissed' cast aside," he  
said. "Men of brains, education and  
good records are eliminated for no  
other reason than that they are 'too  
old'."

A woman came into a photog-  
rapher's studio in San Francisco the other  
day, says The Argonaut, and said to  
the proprietor:  
"Do you take children's photos?"  
"Yes, certainly, madam."  
"How much do you charge?"  
"Five dollars a dozen."  
"Well," said the woman, sorrowful-  
ly, "I shall have to see you again, I've  
only got eleven."

Thousands of people chew Chiclets who would not use  
any other chewing gum. Dainty morsels of the finest chew-  
ing gum, crisply coated with the pearly peppermint. Not  
the horse-mint or the swamp-mint—but *Mentha pipperita*—  
the peppermint—the true mint—delicately fragrant, cool-  
ing and salutary.

**Chiclets**  
REALLY DELIGHTFUL

Chiclets for Smokers.—A man finds that he en-  
joys his cigar, cigarette or pipe more keenly after  
chewing Chiclets. They refresh the mouth and  
throat, give a new relish to the flavor of fine to-  
bacco, keep the teeth white and the breath pure—  
relieve huskiness—prevent excessive smoking. The  
refinement of chewing gum for people of refinement.

Look for the Bird Cards in the packets. You will find one beautiful  
bird picture in each packet of Chiclets. Send us any fifty of these pic-  
tures with ten cents in stamps and we will send you—free—our splendid  
Bird Album.
