WOMEN'S AILMENTS

Come From The Heart And Nerves.

Young girls budding into womanhood who suffer from nerves or heart aches, and whose face is pale and blood watery, will find Milburn's Heart and Nerve Pills build them up.

Women, between the ages of 40 and 50, who are nervous, subject to hot flashes, feeling of pins and needles, smothering feelings, shortness of breath, palpitation of the heart, etc., are tired over this trying time of their life by the use of this remedy.

Milburn's Heart and Nerve Pills have a wonderful effect on a woman's system, making pains and aches vanish, bringing color to the pale cheek and sparkle to the eye.

The old, worn out, tired out, languid feelings give place to strength and vitality, and life again seems like living.

Mrs. Alfred Winter, Castor, Alta., writes: "I would like every woman who is suffering from nerves or heart trouble to know how much Milburn's Heart and Nerve Pills have helped me. For two years I kept a hired girl, and was doctoring all the time. After having taken four boxes of your pills I am able to do all my own work. I would especially recommend them to women between 40 and 50, as at that time they are more liable to be far from well. One of my neighbors knows how they helped me, and she is now using them."

Milburn's Heart and Nerve Pills are 50c. or three boxes for \$1.25, at all dealers or mailed direct on receipt of price by THE T. MILBURN CO. LIMITED, Toronto, Ont.
