Inducement to Horsemen.McAdam, July 18.—The management
of the mid-summer races at St. Step-
hen today announced that they would
add a 2 1/4 mile trot to their class of races
on July 27 and 28th. The 2 1/4 mile
trot will be a 2 1/4 mile trot, substituted
entries to close July 19. Horse low-
ering marks since 14th no bar. Al-
ready over 100 entries have been re-
ceived and one of the biggest race
meets ever held down east will be at
St. Stephen, July 27 and 28.

will be matched for \$500.Little For Today.
Why do people like their Maine re-
sides in the summer?All Set For The
Fredericton RacesNine Races on Programme
and Horsemen from All
Over East Are at Capital.Fredericton, N. B., July 18.—Anti-
cipating record-breaking time in most of
the nine races on the programme,
horses from all over the east were
here tonight ready for the opening of
the Maine and New Brunswick circuit
meeting tomorrow.There was every indication this
evening that the speculation will be
heavier at this meeting than it has
been this season, and altogether it
looks like a big meeting if the weather
holds good. For protection against
the weather, the Fredericton Park As-
sociation have taken out a rain in-
surance policy for Tuesday, Wednesday
and Thursday, so that if it should rain
they are thoroughly protected.Nutwood Lou.
The introduction of Nutwood Lou,
an entry of the Means stable from
Machias, Me., has added an element
of uncertainty to the 2 1/4 mile trot,
the only one of the three races on the
opening card that was looked upon
as settled before they started. Nut-
wood Lou has worked miles in 2:13,
and the 2 1/4 mile race will comprise
sold as second choice in the auction
pools, there being a field of nine start-
ers for this event. The 2 1/4 mile race
is the feature event of the opening day.
There are to be four starters, the
Problem, Peter Setzer, Roy Volo and
Zom Q. Most of the auction pools
have the first two named on one end
and the other pair on the other at
even money. Some people believe
Zom Q. is due for one of his good
runs and his chances were looked
upon as a bit better than after Sel-
ter, thus affecting the demand that
odds be given for the Problem's
chances as compared with Roy Volo.
Some even money bets have been
made as to the relative positions in
the summary of Roy Volo and the
Problem. Reports were circulated to-
day that the Problem would not be
started. The stories were believed to
be for the purpose of affecting the
speculation, but they cut no figure.2 1/4 Class.
The 2 1/4 class is the third race on
the programme for the opening day,
and it will be confined to pacers, since
the trotters that were entered will
start in the 2 1/4 mile race which has
been opened for Wednesday. Dan S. Jr.,
Little Swift, Don Q. Filmore Dillon,
College Peter, Jeffrey and May Grat-
tan will be the starters, and they are
an evenly matched field, most of
them having been in the six-horse race
at Woodstock last week that was
finally won by College Swift. It looks
like anybody's race.Free-For-All.
The Free-for-All matched race be-
tween John R. Braden, \$923, and
Calgary Earl, 2:02 1/4, the 2 1/4 mile
trot, and the 2 1/4 mile race will com-
prise Wednesday's card. Entries for the
new 2 1/4 mile trot do not close until tomorrow
afternoon at 5 o'clock, but those en-
tered so far include Males, 2:13 1/4, of
the Roaring Brook Farm stables
from Barton, Vt. Bingen Worthy, 2:13
1/4, owned by L. R. Acker, of Halifax;
Border Prince, 2:13 1/4, owned by H. C.
deWolf of this city; Alfred King, 2:13
1/4, winner of eleven out of twelve
races for Frank Fox last year and
now in Harry A. Novers' stable from
Houlton, Me. and Togo M. 2:14 1/4,
owned by James W. Gallagher, of
Woodstock.Touz, 2:13 1/4, and Filmore Dillon,
2:08 1/4, the St. John owned pacers, ar-
rived tonight. They are expected to
be the last of the lot of horses to
arrive. There are 104 horses here.Carpentier And
Gibbons MatchedNew York, July 18.—Tom Gibbons,
of St. Paul, today was matched to
meet Georges Carpentier in October
for the world's light heavyweight
championship.Articles were signed by Eddie Kane,
Gibbons' manager, and Promoter
Richard. The bout will be either in
the arena in Jersey City, in which
Carpentier lost to Dempsey or in
Madison Square Garden.The weights will be 175 pounds or
under. Richard did not announce the
other terms.Kane agreed to have Gibbons on
the scene of battle three weeks be-
fore the match. The St. Paul boxer
is now on a vacation in the Minnesota
woods.Carpentier signed articles two
weeks ago agreeing to meet any man
Richard selected, but expressed a de-
sire to fight Gibbons.Eight Yachts

of the Royal Kennebec Yacht Club

afternoon on their annual cruise from

the cruise but there has as yet been
no intimation as to how many will
actually be coming here. They will

GOLF BEING RENEWED TODAYSeveral Prominent Professionals Are Entered from Great
Britain, All Leading American "Pros" as Well as Best
Amateur Players Begin Championship Play at Chevy
Chase, Md.Washington, July 18.—International
interest in golf, which was at fever
heat during the recent British cham-
pionships on English and Scottish
links, will be renewed tomorrow
when several prominent profes-
sionals entered from Great Britain and all of
the leading American "pros" as well
as a few of our best amateur players
begin the qualifying round in this
year's open championship tournament
on the links of the Columbia Country
Club, Chevy Chase, Md. Last year
this event was decided over the course
of the Inverness Club, Toledo, O., and
Edward Ray, representing the Orkney
Club of England, was the winner with
a score of 295 for 72 holes. There
were 285 entries last year but this re-
cord mark will not be touched so far
as entries go in numbers for the 1921
title as the field may not exceed 220
players.While Ray has not come to defend
his title George Duncan and Abe
Mitchell, the British professionals,
will endeavor to duplicate his victory,
while Joe Kirkwood and his side part-
ner, Victor J. East, the Australian pro-
fessionals also will try to annex the
American championship and possibly
Thomas D. Armour, the Scottish amate-
ur will arrive in time to make a
similar effort. Several Canadian
players are on the list and from every
angle the United States Golf Associa-
tion's "open" of 1921 gives promise
of furnishing some of the best golf
ever witnessed on an American links.
Sensational play is expected from
such a representative gathering of
experts but it might be asking too
much to even hope for a repetition of
the thrills which attended the famous
triple tie that occurred in 1913 at the
Country Club links, Brookline, Mass.,
when Francis Ouimet defeated Harry
Vardon and Edward Ray in the play
off.Half of the big field will play in
the qualifying round of 18 holes to-
morrow and the other half will make
a similar round next day. The leading
64 and all ties will continue on Thurs-
day and Friday playing 36 holes each
day to decide the winner.Following is a list of the winners of

Miss McKenzie, the general secre-
tary, led the opening devotional ex-

of the activities of the different girls'
clubs that have been formed and men-
tioned the Girls' Quin. Quarters were
amongst the girls of the York and
Cornwall cotton mills, which has ad-
opted as its club name "The Boost-
ers." The older girls, and the Wool-
worth girls, and the girls of the Wool-
worth girls, reported highly successful
and most enjoyable outings to Rockwood
Park, Glen Falls and other pleasant
spots. The girls' work and its environ-
ments. The grand event of all how-
ever, was the week-end visit to Mrs.
McAvity's cottage at Lakeside, where
a party of fourteen girls were chaper-
oned by The Girls' Work and the
General secretaries assisted by Mrs.
J. D. Hunter.Travelers' Aid.
The Travelers' Aid reported meeting
226 and the opening of the assist-
ing of over 200 people.
The Home Report stated that 23
transients had been accommodated
during the month. Quarters were
available for transients owing to the
fact that many of the regular roomers
were absent from the home on their
holidays which they spent outside the
city. The receipts for the month
totalled over 2,000.
Considerable thought and considera-
tion was given a suggestion advanced
that the Y. W. C. A. supply super-
visors for the public dance hall to be
opened on the fair grounds during ex-
hibition week. It was decided that
such as the organization is anxious
to help all girls, such an undertaking
was beyond its province and might be
misunderstood.poned, rain.
