[To the Associated Press.] New York, Sept. 10. The recent gale on the Atlantic is reported very severe. Steamer Ville de Paris, just arrived, had bridge demolished, boats carried away and captain's room swept overboard. One seaman washed overboard, and second officer had arm broken.

LONDON, Sept. 10. A special from Paris says that the eminent French author and statesman, in a comatose state, and death is imminent.

Special Telegram to the Tribune. Golding in Luck at Valley Park. Good at Stranraer, Sept. 10.

There was a good attendance at the Valley Park races to-day, and considerable betting was indulged in. Some were certain that "Steve would clean out the natives," and others were sure that he would be cleaned out.

Golding's Flora won the 2.50 trot in 2.55, 2.57 and 2.53, the second money going to Hugh McAdam's Fallowater.

Golding's Pom swept up the Sweepstakes in 4.48, 4.45 and 4.43, the second money going to Hatfield Pollard and the third to Abdallah.

The day's sport was considered successful, and the Schoolmasters are very proud of their park. They intend to get up another big field before long, and have horses of their own on hand to kick dust in the eyes of anything that St. John or Houston may bring.

A Reformed Episcopalian for New Brunswick-Walker, the Brother, to Still Uphold the Standard. OTTAWA, Sept. 11. Last night Bishop Cummins of Chicago ordained Mr. Todd as Minister in the Reformed Episcopal Church. Mr. Todd goes to New Brunswick.

In the London election case Walker pays \$3,000 costs. The Party of Purity will choose him as their standard bearer in the new election.

THE CUBAN CIVIL WAR. Havana dates of yesterday state that Captain General Concha publishes a decree ordering out immediately for active service five per cent of all the Volunteers enrolled in the island of Cuba to serve until April, 1875. This will bring out about 8500 men. Exemption cannot be purchased with money, those granted being obliged to serve themselves or provide substitutes.

MONEY WANTED. The government of the island has asked from the banks a loan of \$500,000 and \$1,000,000 in paper money.

LONDON, Sept. 10. BURNED AT SEA. The ship Exultant, from Shields for Aden, took fire and was destroyed. Twenty-one of the crew, in two boats, have arrived at St. Helena after a perilous voyage of over 1100 miles. A third boat, containing the remainder of the crew, has not been heard from.

(Special to Daily News.) Walker gets his Neck Tied. OTTAWA, Sept. 10. Judge Haggarty decided the London election case to-day, unseating Major Walker for bribery by agents, but not finding Walker guilty of direct personal bribery. He strongly denounced Walker and his partner (Harris), they having admitted spending nine thousand dollars, apart from other thousands subscribed. He said if he could charge Walker, he would personally have disqualified Walker, he having admitted to an expenditure by himself and Harris at the rate of seven dollars for every vote polled.

The Judge decided to report Dr. Haggarty, Alderman Haggarty, ex-Mayor Campbell, and Harris, partners of Walker, to the House for bribing voters. Harris's friends are taking the case to the Court of Common Pleas, and are certain of disqualifying Walker. Dehoucheville has not succeeded in forming a Government yet.

Agent General Jenkins is at Montreal. THE DAILY TRIBUNE and all the most popular Canadian, English and American newspapers and magazines can always be obtained at the bookstore of Mr. W. K. Crawford, King street.

LIBERALITY OF PHYSICIANS.—It has always been said that physicians would disparage any remedy, however valuable, which they did not originate themselves. This does the learned profession towards Dr. J. C. Ayer's preparation. They have adopted them into general use in their practice, which shows a willingness to countenance articles that have intrinsic merits which deserve their attention. THE ILLUSTRATED LIBRARY OF POETRY AND SONG

Edited by DR. J. E. HOLLAND, Author of "Kathleen," "Bitter Sweet," etc. FAVORITE SONG is a royal octavo volume of over 700 pages, printed in the best style of the art, on the finest tinted paper, and illustrated with 125 thoroughly dainty and delicate engravings, from ORIGINAL DESIGNS, by the most eminent artists, together with facsimiles of the original autograph copies of (20) famous poems.

The illustrations are numerous and exquisitely wrought. What can be more beautiful than the one which reflects the enchanting spot where—

"Maid Mollie, on a summer's day, Raked the mowdowns with her bay."

One of those lovely New England landscapes, which the engraver has represented in outlines as beautiful and artistic as the scenes which they represent.

Conspicuous, also, for its rare beauty is the illustration accompanying the "Song of the Brook," where the rustic bridge, dashing beneath the rustic bridge, goes chattering—

"In little ripples and ripples," "Will not her Philip's name it show, To join the brims on river."

Altogether, this is one of the most charming and elegant books ever issued by the American press—a fitting gift for lover or friend; an attractive ornament for the parlor library; a valuable addition to any family library.
