"C"/'52 MEMBER RETIRES

Dear Editor,

After two years in the RCMP (Reg. #17287) and 31 years in the New Westminster Police Department, the "old" deputy is going to retire.

I would like to take this opportunity through your medium to thank all the members of your Force from Commissioner Bob Simmonds down through the ranks, both past and present, who have assisted and lent support to me personally and to my department in general.

The esprit de corps which has existed over the years has left me with very fond memories. I would also like to say a special "hello" to all my old squad members, 84 Squad in Rockcliffe in 1951, and "C" Squad in Regina '52.

Yours truly,
Deputy Chief Constable E. Cadenhead
Director, Operations Bureau
New Westminster Police Dept.

COLLECTOR

Dear Editor,

I have been a *Quarterly* subscriber for approximately 14 years and greatly enjoy receiving each issue. I would like to obtain copies prior to Vol. 35 #4 if any readers have any they wish to part with.

I am a member of the Ontario Provincial Police and an avid collector of

Canadian police shoulder patches and badges. I would like to hear from any of your readers who would trade Indian Native police badges from provinces other than Ontario.

Yours truly,
Don Mackay

LAW ON A LEASH

Dear Editor,

Thanks so much for [publishing "The Law on a Leash in Canada" in this year's Winter and Spring issues] of the *RCMP Quarterly*. I think the *Quarterly* staff have done a superb job of presentation and layout of the article. The illustrations were very apt and add notably to the feature.

I'd like to thank the *Quarterly* staff, as well as the contributing police agencies, for helping to make the presentation a very good one.

Sincerely yours,
Samuel G. Chapman

PHYSICS AND LAW ENFORCEMENT

Dear Editor,

I am a police officer with the Smithfield Police Department and am presently pursuing a Masters Degree in Criminal Justice Administration at the University of Pittsburgh.

I am having difficulty obtaining research material for my proposed masters thesis: *The Use of Psychics in Law Enforcement and the Criminal Investigation Process*, and would appreciate receiving information from any law en-
