Various Statements transmitted in answer to Queries from Major  
Head, .. .. . i to 10

N. B.—In the Evidence respecting Nova Scotia, it will be observed that the numbers, or folios of Pages 25, 26, 27 and 28, have, by mistake, been repeated; the latter pages should have been numbered 29, 30, 31 and 32, comprehending *J. W. Nutting's* evidence, and an apparent gape between folios 28 and 33 is thus occasioned.
