Men's Intramural Softball
Fall 1986

"Giants" made it to the finals

It was the "Miramichi Golden Lights" going undefeated to win the fast-pitch division of the men's softball. The "Golden Lights" defeated the "Phys. Ed. Humanoids" in the finals to clinch the title.

by defeating the "Rock-on-Raiders" while the "Tax Dodgers" beat the "Harvesters".

Due to the uncooperative weather and problems with rescheduling games, the softball managed to be completed.

A special thanks goes out to all players and managers for their

co-operation.

In the Orthodox division, it was the "Corporate Giants" ousting the "Tax Dodgers" in the final game bringing the softball season to an end. The
