

Grill wards off starvation

by Anthea Snell

To help combat the problem of students missing lunch due to this year's time table changes, construction has been started on an outdoor barbeque.

The grill, being built beside Lecture Hall No. 1, is designed to provide a snack bar service for students on the way to class.

The menu will be limited to hamburgers and hotdogs, said a Versafood worker. Service will naturally be restricted to the warm weather months and will probably commence next March or April.

In the meantime, keep swallowing those vitamin pills.
