Ottawa, Ontario,  
February 5, 1935.

Dear Mr. Willet:

I have your letter of 2nd February. Have had to decline all invitations to deliver this address again, first, because of pressure on my time and secondly because I do not like making the speech more than once. Have, however, made an exception at the request of the Radio Commission and am speaking Monday night, the 11th instant, from nine to ten o'clock, at the National Council of Education in Montreal, the address to be broadcast throughout Canada.

I have no plans to go to St. John but should I be there I might possibly consider another exception, though it certainly would be with reluctance.

Yours very truly,

Mr. D. Gordon Willet,  
Hon. Secretary,  
The Canadian Club,  
St. John, N. B.
