The Right Hon. Art. Meighen C. P.
 Toronto - Ont.

Dear Mr. Meighen.

Please accept for you and yours my
 best wishes for a happy & prosperous new year.

I take the occasion to renew my
 thanks for the courteous & paternal treatment which
 Mr. Antoine received at your hands.

My young lawyer will come back
 in Quebec this spring with a possibility of
 talking fluently in your language.

He owes all that to you & his father is very
 grateful.

Antoine is taken all day with his work at
 Simpson & cannot go to your offices on week days;
 his knowledge of distances prevents his going to
 your house but I am sure he must have given
 his wishes at Christmas & you can rely on his
 gratefulness for your kindness to him.

My heartfelt thanks &
 Bonne & Revenue Amies

Respectfully

Jules Gobeil
