Ottawa, August 20th., 1908.

Sir,-

I am in receipt of your letter of the 17th instant in further reference to professional services which you rendered to Moses Landite, and in reply I beg to say that the report asked for in regard thereto has not yet been received from Mr. McDougall, of Port Arthur. He is again being written to in the matter. It is expected that the latter Department will soon be in a position to deal with the case.

Your obedient servant,

Secretary.
