

159
30th March 6.With enclosure

Sir:-

With reference to the question of baking bread for the Indians on the Reserves and issuing the same to them instead of flour as heretofore, will you be good enough to inform me whether arrangements might not be made by which the Issues of rations and Coals upon the Reserves in the South Western part of the Territories might bake the bread for the Indians. It appears to me that home-made bread would be much more wholesome for them than what

Hon. C. Dundergo

Indian Com^t for Man & N.W.T.
